

Boum

Designers Monica Graffeo and Ruggero Magrini

Stackable chair with an anodised aluminium and polypropylene body. The upper part of the seat is covered with soft material supplied in two versions: in polyester fabric coated with stain-resistant Teflon and with resin on the reverse side to prevent the absorption of liquids, or in semi-matt polyurethane coated fabric that is very easy to clean. The chair is fitted with a handle covered with the same soft fabric of the upper part of the seat and can be stacked up to 10 pieces (without the use of a trolley).

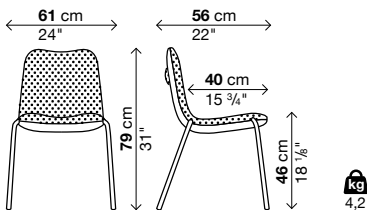

Metal finish:
Anodized aluminium

Rear body finish:
White polypropylene (PP01)

Finish of cover:
Teflon-coated fabric (PE33, PE34)
Water repellent polyurethane layer (PU10 → PU15)

Stacking chair () max 10		
Code	Structure finishes	Vol.
05BOU01A	anodised aluminium	0.45

4 chairs in each package

Swivel Boum

Designers Monica Graffeo and Ruggero Magrini

360° swivel chair with a fixed height. The support base is made from brushed stainless steel and the body from polypropylene. The upper part of the seat is covered with soft material supplied in two versions: in polyester fabric coated with stain-resistant Teflon and with resin on the reverse side to prevent the absorption of liquids, or in semi-matt polyurethane coated fabric that is very easy to clean. The chair is fitted with a handle covered with the same soft fabric of the upper part of the seat.

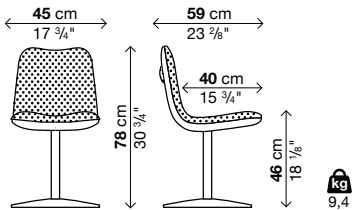

Metal finish:
Brushed stainless steel

Rear body finish:
White polypropylene (PP01)

Finish of cover:
Teflon-coated fabric (PE33, PE34)
Water repellent polyurethane layer (PU10 → PU15)

Code	Structure finishes	Vol.
05BOU01C	Brushed stainless steel	0.10

1 chair in each package

Boum stool

Designers Monica Graffeo and Ruggero Magrini

Swivel stool adjustable in height by means of a gas piston. The support base is made from brushed stainless steel and the body from polypropylene. The upper part of the seat is covered with soft material supplied in two versions: fabric coated with stain-resistant Teflon and with resin on the reverse side to prevent the absorption of liquids, or in semi-matt polyurethane coated fabric that is very easy to clean. The stool is fitted with a handle covered with the same soft fabric of the upper part of the seat and with a button below the seat that regulates the gas-operated mechanism.

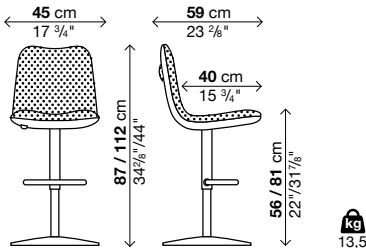

Metal finish:
Satin-finish chrome steel/Brushed stainless steel base

Rear body finish:
White polypropylene (PP01)

Finish of cover:
Teflon-coated fabric (PE33, PE34)
Water repellent polyurethane layer (PU10 → PU15)

Code	Structure finishes	Vol.
05BOU11	Brushed stainless steel	0.45

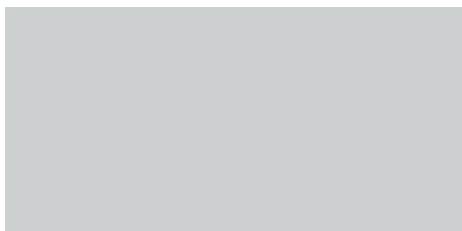

1 stool in each package
