

Full Core – Model 2X

Segmented – Model 3X

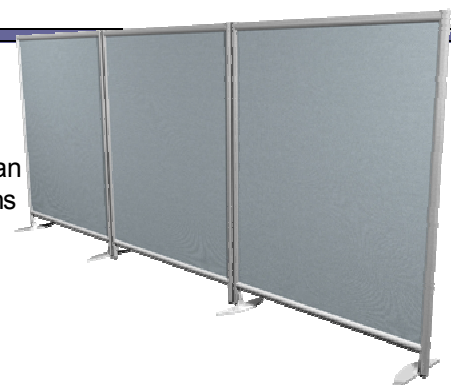

SmartScreens - when you need privacy not a fortress.

SmartScreens divide your space with class and a sleek contemporary European design. Our partitions come in a wide range of heights, widths and core options making it easy to create a custom configuration to fit the size and look of your current space.

Add support feet for freestanding privacy or hinge several together to refine a variety of work environments such as desk privacy, custom cubicles, private offices, study carrels or call centers.

Simple and easy to install – The same connector (our Universal Hinge kit) allows you to create a 2, 3 or 4-way connection and freely adjust the angle between connected partitions.

Custom sizes, colors & core materials are available.
Manufactured in the USA.
