Organization Core Whiteboard

Rollin Products' mobile whiteboards have a sleek, contemporary, European design and are engineered to be light weight, easy to move and durable. They come in a wide selection of widths and heights. Our whiteboard writing surface is a non-ghosting, high pressure laminate designed for high usage. The frame is constructed using our proprietary aluminum extrusion. Each unit includes our stylish metal feet with four 3" locking dual casters. Ideal for use in conference rooms, class rooms, training rooms, meeting rooms, private offices, workstations, as a privacy partition or a cubical door. Rollin whiteboards are manufactured in the USA. Custom sizes, colors and core materials available. **This model has our Organization Core that can be outfitted with multiple accessories; allowing you to get organized while maintaining the flexibility of being portable.**
