Description:

The frame is constructed using aluminum extrusion. Mobile units include our stylish metal feet with 3" locking dual casters.

All metal parts are powder coated for an aesthetic and durable finish.

Whiteboard and fabric cores are constructed using a solid, sound absorbing material to reduce noise levels.

The organization lower core can be outfitted on both sides with our M-Series accessories; allowing you to get organized while maintaining the flexibility of being portable.

Rollin whiteboards are manufactured in the USA.

Custom sizes, colors and core materials are available
