**Description:**

Rollin Products' partitions are engineered to be light weight, durable and easy to install.

Our privacy partitions come in a wide range of heights, widths and core options making it easy to create a custom configuration to fit the size and look of your current space.

The frame is constructed using aluminum extrusion.

All metal parts are powder coated for an aesthetic and durable finish.

Whiteboard and fabric cores are constructed using a solid, sound absorbing material to reduce noise levels.

Manufactured in the USA.

Custom sizes, colors and core materials are available.
