A742, A744 Coathook Strips

⚠ WARNING

- ▲ The customer must assume full responsibility that this product is mounted securely. Installation should be done by a competent carpenter or maintenance person.
- ▲ This product is intended for use by children of immature judgement. Therefore supervision is required at all times.

⚠ CAUTION

- ▲ For indoor use only. The Coathook Strips are not waterproof.

Installation

Equipment comes in a single carton containing:

- One 24" or 48" coathook strip
- One package of label holders

If your shipment is incomplete, please call your Customer Center.

1. Position Coathook Strips at the desired place on the wall.
2. Locate the fasteners (not included) to suit the wall construction with at least one fastener near each end of the strip.
3. Predrill the strip at these locations.

Maintenance

Periodically inspect for cracks, breaks, loose parts, missing parts, and/or malfunctions. Remove the product from service when any condition develops that might make operation unsafe.

Construction

The **COATHOOK STRIP** is constructed of solid maple with a durable clear finish.

HOOKS are made of durable ABS plastic.

User Modifications

We recognize that some users might benefit from modifications made in the field. However, we cannot be responsible for modifications made by customers to our products, without our supervision, testing or evaluation.

Ordering Parts
