

## Nantucket Perimeter Leaf

When we originally created this table for a family on Nantucket, we wanted to draw from the region's celebrated sea-faring tradition and the simple elegance that sprang from it. The classic C-shaped legs evoke the calm of a New England afternoon by the sea. The table shown here as a Perimeter Leaf Table in Natural French Walnut with a dual line of Ebony inlay and shaped edge detail, and as a Perimeter Leaf in Coffee on French Walnut.

T-05-301-P 54" • Table with Perimeter leaves extending to 72"

T-05-303-P 66" • Table with Perimeter leaves extending to 84"
