2012

Survey Recognizes Herman Miller Top Furniture Brand in Seating, Systems, Healthcare, and Environmental Sustainability

Architectural and design professionals participating in *Contract* magazine's 2011 Brand Report Awareness Survey have once again named Herman Miller and its subsidiaries as their preferred source for key furnishings in the workplace and healthcare environments.

2011

Herman Miller Honored for Sustainable Performance and Community Commitment

Herman Miller, Inc. has once again been recognized as a leader in corporate sustainability and community involvement by both The Dow Jones Sustainability World Index (DJSI World), and the state of Michigan's Neighborhood Environmental Partners Program (NEP). This marks the eighth consecutive year Herman Miller has been placed on the DJSI World and the third straight year earning an NEP award.

Herman Miller Recognized as Industry Leader on Climate Counts 2011-2012 Scorecard Report

Herman Miller, Inc. has been named one of 16 Section Leaders on Climate Counts 2011-2012 Scorecard Report, making them the industry leader for Home and Office Furnishings. The scorecard measures how well the largest companies across 16 industry sectors are preparing for a low-carbon future. Companies are scored based on 22 criteria including a company's efforts to assess their climate footprint, reduce greenhouse gas emissions, and the ability to communicate their efforts to consumers.

2010

Herman Miller achieves LEED-CI Platinum certification from the U.S. Green Building Council for its recently completed Los Angeles Showroom.

2009

Herman Miller named Green Champion by *Business Review West Michigan*.

Herman Miller awarded the 2009 Recycling by Design award by the Institute of Scrap Recycling Industries, Inc.

Aeron receives MBDC Silver Cradle to Cradle certification.

Herman Miller's local fleet is recognized as a U.S. EPA SmartWay Transport Partnership Certified Carrier.

Herman Miller achieves LEED-CI Gold certification for its Main Site B West renovation.

2008

Herman Miller recognized by *Occupational Hazards* magazine as one of America's Safest Companies (ASC). It was one of 18 companies to achieve this distinction.

Herman Miller's Zeeland Main Site awarded status as a STAR participant in the Michigan Voluntary Protection Program (MVPP). The MVPP Star Award is the most prestigious safety and health award given in Michigan. Zeeland Main Site is the fourth Herman Miller facility to receive MVPP status, along with the Greenhouse (in 2005), Midwest Distribution Center (in 2007), and 171st Avenue facility (in 2006).

Teneo, Tu, and Meridian filing and storage product lines receive McDonough Braungart Design Chemistry (MBDC) Silver Cradle to Cradle certification.

2004-2009

Herman Miller achieves sixth consecutive placement on the Dow Jones Sustainability World Index, an international stock portfolio that evaluates the annual performance of the world's largest 2500 companies using economic, environmental, and social criteria, known as the "triple bottom line" of sustainability.

2007

Herman Miller earns the 2007 Waste Wise Gold Achievement Award for Smart Packaging. The U.S. Environmental Protection Agency (EPA) recognizes Herman Miller for its ongoing commitment to reduce transport packaging.

Herman Miller's IT North building in its Main Site facility earns LEED-CI Silver certification from the U.S. Green Building Council (USGBC).

My Studio Environments receive McDonough Braungart Design Chemistry (MBDC) Silver Cradle to Cradle certification.

Herman Miller, Inc., chosen for Sustainable Business 20 List. The company is featured for the fifth time as one of the "World's Top Sustainability Stocks," which includes companies with strong environmental initiatives and solid financial performance.

Herman Miller earns LEED-CI Gold Certification from the U.S. Green Building Council (USGBC) for its National Design Center in Atlanta, Georgia.

2006

Business Ethics ranks Herman Miller, Inc. among the "100 Best Corporate Citizens" in America.

Herman Miller earns LEED-CI Gold Certification from the U.S. Green Building Council (USGBC) for its National Design Center in New York City, New York. This is the first LEED-CI Gold rating to be awarded in New York City.

Contract Information

continued

Herman Miller honored by the U.S. Environmental Protection Agency (EPA) with its WasteWise Award for its commitment to build or renovate its facilities--leased or owned--to meet at least a LEED (Leadership in Energy and Environmental Design) Silver certification.

2005

The U.S. Environmental Protection Agency's Pacific Southwest office honors Herman Miller with its seventh annual Environmental Awards, recognizing the company's efforts to protect and preserve the environment during 2004.

The U.S. Environmental Protection Agency presents Herman Miller with its WasteWise 2005 Product Stewardship Gold Achievement Award in the Design category; Honorable Mention also received in the Large Business category for its recycling efforts.

Herman Miller earns LEED Gold Certification from the U.S. Green Building Council (USGBC) for the Design Yard Front Door in Holland, Michigan.

Michigan "Clean Corporate Citizen" Award given to Herman Miller's Greenhouse manufacturing facility for its environmental management system and record for active pollution prevention.

2004

American Institute of Architects (AIA) Committee on the Environment selects Herman Miller's Building C-1 renovation as one of the AIA/COTE Top 10 Green Projects in America.

The U.S. Green Building Council (USGBC) names Herman Miller among the recipients of its Green Building Leaders Recognition Award for 2004, in the Green Building Business category.

For the third year in a row, Herman Miller is included on SustainableBusiness.com's list of the top 20 sustainable stocks among public companies worldwide.

2003

The University of Colorado, Leeds School of Business, names Herman Miller among three finalists for the first annual "Summit Awards for Social Impact," citing the company's environmental leadership.

Environmental Building News magazine's GreenSpec Product Directory names Herman Miller's Mirra chair among its Top 10 picks for best new "green" products.

2002

Program Champion recognition from the U.S. Environmental Protection Agency's WasteWise Program, for overall waste reduction achievements.

2001-2002

Herman Miller achieves placement on the Dow Jones Sustainability World Index, an international stock portfolio that evaluates the annual performance of the world's largest 2500 companies using economic, environmental, and social criteria, known as the "triple bottom line" of sustainability.

2000-2003

Business Ethics ranks Herman Miller, Inc. in the top 10 among the "100 Best Corporate Citizens" in America, and first among all ranked companies for "Service to the Environment."

1999-2001

Environmental Protection Agency's (EPA) Large Industry Partners of the Year Award for overall waste reduction achievements.

2000

Waste Reduction Award Program (WRAP) from the State of California Environmental Protection Agency Integrated Waste Management Board for improving the environment by reducing waste.

1999 and 2000

Cited in *Fortune* magazine among "America's Most Admired" companies and ranked number three overall for social responsibility.

1998

Green Award from the United States government's General Services Administration (GSA) for product design and business practices.

Champion Award from the EPA's Waste Wise Program, for overall waste reduction achievements.

Introduction

A Note on the Organization of This Book

There are a few signals that will help you understand the organization of this book. Once you know them, you should be able to find your way around easily.

Like a newspaper, this book is formatted with columns of text and illustrations that run vertically.

Information wraps from one column to the next and continues for as many pages as it needs to.

Black bars are clues.

A black bar at the top of a page signals the start of information about a product.

This information is divided into two sections, each signaled by a black bar. Product Information includes a description, additional notes, and dimensional drawings. Specification Information, which always begins at the top of a column, includes a series of steps. Each step represents a decision you need to make in order to complete your product number. Steps must be followed sequentially. The number of pages needed to complete information on a product varies; some will be complete in one page; others may fill three or four pages. Just continue going through the steps until you run into the next product, signaled by the black bar at the top of the page.

Black tabs running along the outside edge of the page help you locate what section you are in or what section you want to go to. You can thumb forwards or backwards to find a section; tabs and text appear on both sides of the page.

The additional pages in the back of the book include the appendices and indices. They are signaled by a long black bar running along the outside edge of the page.

The index is presented two ways.

The first index is in alphabetical order by product name. It can be helpful if you are new to the products and numbering scheme or if you are looking for a type of product, such as work chair or round table.

The second index is by product number. It lists, in alphanumeric order, the base product number, typically a five-digit number.

General Information

This book is effective November 5, 2012, subject to change without notice. Products may be purchased from authorized Herman Miller dealers who will quote prices upon request. For more information about our products and services or to see a list of dealers, visit www.HermanMiller.com.

All prices are list prices. Additional services, such as planning services, design, storage, and installation, are not included and must be added to these prices when the additional services are requested.

Illustrations, specifications, and prices are based on the latest information at the time of publication. The right is reserved to make changes at any time without notice in prices, fabrics, finishes, materials, specifications, and models, and also to discontinue models and finishes.

Dimensions shown in the drawings are engineering drawing dimensions rounded up to the nearest $\frac{1}{8}$ ". Product is shipped set up or knocked down. Products that include "Shipped knocked down" in the description require some assembly. If this statement does not appear in the description, the product is shipped assembled.

Service problems are normally handled by a Herman Miller authorized dealer. Where this cannot be accomplished on a local level, service problems should be referred to the Customer Care Representative for your region, Herman Miller, Inc., Zeeland, Michigan 49464.

20-Day or Less/Assigned Lead-Time Shipments

All products and options in this price book not designated by an Assigned Program icon  will ship in **20 business days or less** after being acknowledged by Herman Miller.

Products and options designated by an  are on the assigned lead-time program and may ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

Plywood Lounge Chair

OA200

Product Information

Description

This chair has a $\frac{3}{8}$ "-thick molded plywood shell, upholstered foam seat, arms and back, and a tubular steel base with glides.

A fire-retardant chair meets CAL 133 requirements; this chair is manufactured with cushions covered with a fire-barrier material and upholstered in approved fire-retardant fabrics.

Notes

Chair cannot be ganged to other Swoop products.

Customer's Own Material (COM) requires 2 yards. See COM Information in Appendices for additional information.

Box Table

OA301.

Product Information

Description

This box table is available in laminate, veneer, a laminate case with veneer top, or a veneer case with laminate top. It has black plastic feet with non-adjustable glides, and is available with a cutout in the top for power access. The table can be used freestanding, or can be joined with a club chair, left arm chair, right arm chair, or armless chair. Shipped knocked down.

Notes

Table with cutout option (P) has a 4" x 5" rectangular cutout centered 7" from the back edge. The cutout accommodates the HM Connect-S200 2-port electrical distributor (Y1322.), ordered separately.

Cushion Top

OA30C

Product Information

Description

This upholstered cushion top fits on a 16"-diameter work table or coffee table to create a stool.

A fire-retardant cushion meets CAL 133 requirements; this cushion is manufactured with foam covered with a fire-barrier material and upholstered in approved fire-retardant fabrics.

Notes

Order coffee table (OA30B) or work table (OA300) separately.
 Customer's Own Material (COM) requires 1/2 yard. For COMs that have a large pattern repeat or very specific directional requirements, an additional 1/2 yard of fabric is required. When ordering an odd number of cushions, round up to the next whole yard. When ordering an odd number of cushions, round up to the next whole yard. See COM Information in Appendices for additional information.
