Durable, Beautiful, Contemporary Appeal

Raffia gives you the exceptional combination of stylish good looks and the strength to stand up to your active lifestyle. It meets or surpasses industry wear standards including bond strength, seam strength and tear strength. Raffia exceeds 400,000 double rubs on the Wyzenbeek abrasion test method showing no wear and tear – that's 13X heavy-duty industry standards.

You've Only Touched the Surface

Raffia stays cool to the touch, even when exposed to sunlight. Soft and supple, Raffia is tough enough to withstand kids and pets. Because it's inherently stain-resistant, no toxic aftercare is required to keep Raffia looking its best.
