

**Split End Table**

Side-End-Occasional, in front of or behind...

these tables pull it all together. Have a séance, works well on a Ouija board! Breathing triangular guitar-pick-shaped top with a drink-holding lip.

Propeller pattern veneered top...nice!

Shown in white oak with cerused finish and walnut with a medium finish. Also available in maple, cherry and mahogany.

Dimensions:

A breathing triangle, 23.25W x 21H

Also available 25H
