TECHNOLOGY TABLES

Panel Table

Single Table

Double Sided Table

In today's world, recognizing technology needs is a vital part of providing comprehensive furniture solutions. AGATI's Technology table addressees these needs with a simple design, versatile in function and available in a variety of materials and finishes:

- Tops available with plastic laminate or Forbo Marmoleum surfaces and 3mm PVC edge.
- Designed for easy configuration and space planning.
- Data and power access available above or below work surface.
- Plug-in or hard-wire electrical options.
- Optional modesty panels available.
- Lead time approximately 5-6 weeks.

AGATI has over 25 years experience working in the institutional market. Providing solutions for all size projects, AGATI has gained a thorough understanding of classroom needs. Technology tables are constructed with durability and ease of use in mind. All tables meet rigorous codes, including City of Chicago and New York City. Perfect for training and computer classroom settings, select from single- or double-sided tables to accommodate all size groups and settings, then choose from a variety of AGATI chairs to complement your setting. AGATI is defined by versatility. Designs combine a unique blend of aesthetics and engineering, distinguished by their eclectic styles. Inspired by the need for furniture that is both timeless and universal, AGATI is committed to the design and engineering of each and every piece.

Furniture built to last a lifetime means investing in the future. AGATI is dedicated to implementing sound environmental practices such as utilizing domestic reforested lumber, as well as reusable packaging materials. AGATI believes in helping preserve resources at no expense to the integrity of the product or the satisfaction of the customer.

Celebrated for its design. Chosen for its quality.
