AGATI
FURNITURE

ELEMENTS MEDIA

Connect one laptop or multiple laptops, the Elements Media Table allows groups to collaborate with one another, as well as with those in remote locations.

Every year brings about new advances in technology, and AGATI adapts its furniture to these changes while maintaining the integrity of its original designs. Users effortlessly connect with those near and far, sitting supported and comfortable for unlimited collaboration.

Paired with AGATI's Hampton Seating, Elements Media answers the call for effective, yet creative use of space. Accommodating groups of all sizes, both the round and straight Hamptons can be used with Elements Media. Add optional surrounds covered in fabric or sleek veneers for ultimate privacy.
