CHARLES Collection

The Charles Collection finds its inspiration in the crisp, design details of 20th century architect, designer and artist, Rennie Mackintosh. Featuring a “three square” motif integral to Mackintosh’s design vocabulary, the Charles Collection is quickly identified by its pierced cutouts or applied squares.

Evocative of Mission style’s dignified integrity and fluid lines, the Charles Collection showcases a decorative, solid wood frame. Completing the Charles Collection are chairs, benches, lounge chairs, tables, occasional tables, carrels, dictionary and atlas stands, and end panels. Visit www.agati.com to see more options.

Charles Collection also includes children’s table and chairs.
