

A photograph of a modern, abstract furniture piece composed of various geometric shapes in bold colors. The composition includes a large blue triangular section on the left, a red circular element in the center, and a large green angular section on the right. In the foreground, there are curved, cylindrical forms in orange, blue, and white with a textured pattern. The background is a white brick wall.

**AGATI**  
FURNITURE

AGATI's Altra Forma Collection is a canvas for fun and creativity. Designed by architect Lonny Frye, these "different shapes" are as diverse in form as they are in color. Covered in brilliant hues, Altra Forma stimulates imagination and expression. Environments take on a whole new dimension with the addition of Altra Forma, whether it's to add playful activities or to create a cozy atmosphere for lounging and learning. Synonymous with fresh and innovation, Altra Forma is inspiring young minds everywhere. Visit [www.agati.com](http://www.agati.com) to see more.
