MAYA | ARMCHAIR

MAYA armchair's green/lime color was taken from one of the primary elements of Mayans culture, the maize. Represented as a tree of life in Palenque, Maya's Maize God was also personified as woman. MAYA armchair has the sensual and delicate forms of the feminine being and the strength of a tree of life; this combination makes it as the perfect center piece for every living room. The sweetness of its velvet will give you the sensation of being a god or goddess in heaven.
