HAIKU | MIRROR

On HAIKU you will see reflected the best of you, as bamboo is considered in traditional Chinese culture to represent many qualities such as uprightness and tenacity. Although bamboo is not physically strong, it grows quickly in forests such as Haiku Forest of Maui, Hawaii, being an important source for food and building materials for many centuries.

This copper ring of bamboo is the perfect complement to put above a sideboard and bring with it integrity, elegance and simplicity.
