MAYA | 2 SEAT SOFA

In heaven like in earth, male or female shouldn't be solitary and that is why MAYA 2 seat sofa was born; to be the perfect place where two unique beings could meet and live in perfect harmony involved by the sweetness of its velvet. As MAYA armchair, its green/lime color was taken from one of the primary elements of Mayans culture, the maize. Represented as a tree of life in Palenque, Maya's Maize God was also personified as woman. MAYA 2 seat sofa has the sensual and delicate forms of the feminine being and the strength of a tree of life; this combination makes it as the perfect center piece for every living room.
