## MOHAWK | STOOL

MOHAWK names a North America region of copper ores and its reminiscent indigenous people, who fought against rival tribes and were distinguished by their hairstyle. The strong copper structure of MOHAWK stool and its industrial elements are balanced by a touch of elegance from the shape of the legs and the comfort of the leather seating. MOHAWK reveals a perfect combination between the strong attitude of the tribes and its stylish hair, for a distinctive ambiance.

### DIMENSIONS
