manistee™ picnic table

Our purpose is to Enrich Outdoor Spaces

We believe in the power of design and its ability to influence and elevate the quality of public space. High quality products and outstanding customer experience makes us one of the world's premier designers and manufacturers of outdoor commercial furnishings.

Manistee® Picnic Table Specifications

Frame is 1-1/2" dia. tubular steel. Table tops are 14-gauge metal. Seats are metal grid. All metal is finished with our Pangard II® polyester powdercoat.

Wheelchair Access

All three styles of Manistee picnic tables feature wheelchair access from either end.

To Specify: Specify two-, four-, or six person Manistee picnic table and powdercoat color. Specify freestanding or surface mount support. Options: with or without umbrella hole, umbrella stand; select powdercoat color. Note: Landscape Forms' umbrella stand must be surface mounted if used with Solstice sun shade or umbrella.

The Manistee picnic table provides outdoor seating-for-eating in the traditional rectangular picnic table mode. Steel frames are structural and strong. Wire grid seats are naturally ventilated and visually light. Manistee is an economical solution for casual outdoor environments.

Metal is the world's most recycled material and is fully recyclable. Powdercoat finish on metal parts contains no heavy metals, is HAPS-free and has extremely low VOCs.
