

Bristol

design Jean-Marie Massaud, 2013

Soft and comfortable shapes, the wraparound double backrest cushions and the thin armrests are the main features of Bristol, designed by Jean-Marie Massaud. This sofa allows to combine highly original layouts.

Sofas and armchairs collection

The sofas and armchairs collection: in the living area there is a full coherence between modular systems, complements and the elements dedicated to comfort. Collaborating with prestigious international designers, Poliform completes its offer with a variety of proposals that underline versatility. A series of different armchairs and sofas, able to explore a wide range of aesthetical approaches and to become part of a full "Home project", where every piece of furniture matches with the other, in a highly harmonious interior design project.

Finishes:

Sofa with structure in flexible moulded polyurethane and seat cushions in flexible polyurethane with different densities. Pre-covering of the seat cushions with parts in cotton cloth and feather and parts in polyester padding.

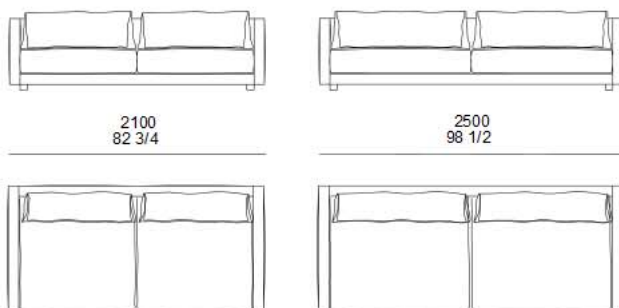

Backrest front cushion in feather with pre-covering in cotton cloth.

Backrest rear cushion in flexible polyurethane with pre-covering in polyester padding.

Final stretched covering removable in fabric and non removable in leather.
