

Paris-Seoul

design Jean-Marie Massaud, 2012

Paris-Seoul is a sofa, coffee tables and containers collection designed by Jean-Marie Massaud. Its generous proportions represent a concrete response to tailored comfort requirements through its clean and essential but, at the same time, original lines.

Day complements

Not only coffee tables: I like a collection that makes me discover my world. Have a look at Poliform's range and you'll find that the style you have always dreamt of actually exists. Solid units, classic lines and the impeccable elegance of the finishes and covers, this is a collection that reflects your style.

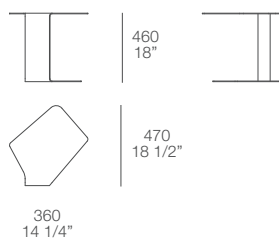

Finishing:

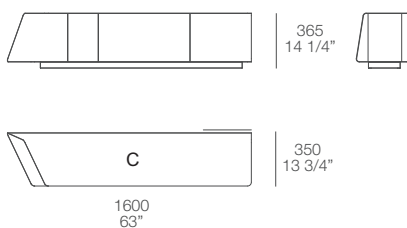

System of small tables and containers made of sheet metal covered in hide, bronze painted inner part. The series includes coffee tables, "passepartout" small tables, modular containers for corner configurations in the rear part of the sofa and next to the arms
