

Takes the lazy out of lounge.

GRAND RAPIDS  CHAIR COMPANY

Perfect in any setting.™

Hard-working lounge furniture.

Bodie promotes comfort, fosters collaboration and projects cool sophistication. Clean lines and a modern profile combine with near-infinite upholstery, wood finish and color choices to create a signature design statement for any organization. The chair's wide seat and open, armless design allow for easy, unrestricted movement.

Features

- Ideal statement piece for use in lobbies, common areas and offices
- Available naked (all wood with fabric seat pad), partially upholstered or fully upholstered
- Slender design virtually disappears when in use, bringing focus to the user
- 5-star and plate base options
- Auto return mechanism standard
- Personal side table available with optional USB port

Construction

- 15.75" lounge seat height
- 23" high ottoman
- 26" and 29" conference height tables
- Shell made with 13 layers of European Beech
- Meets and exceeds ANSI/BIFMA and CAL 117 standards
