Product Warranty

We understand the demands for safety and durability. That's why our materials and construction methods undergo rigorous testing to ensure all of our commercial products meet ANSI/BIFMA standards.

We test:

- Resistance to scratches, stains and abrasions
- Weight load
- Leg strength
- Stability/dislodgement
- Cycle testing on casters, hinges and drawer slides

The result of this attention to quality is a **Ten Year or Limited Lifetime Warranty** on all BBF products. They are also ergonomically correct and compliant with state and federal health and safety guidelines.

Environmental Sustainability

At BBF, we are proud to be good stewards of the environment, taking care to be environmentally conscious from the beginning to the end of our manufacturing process.

Some of our environmental initiatives include:

- **BIFMA level®:** Bush Industries Inc. has received level® 1 certification for several product lines manufactured at our Jamestown, NY facility 
 - **CARB:** All BBF products are compliant with CARB (California Air Resource Board) standards for reduced formaldehyde emissions
 - **EPP Downstream Program (Composite Panel Association):** More than 50% of panels purchased from EPP sources; board is 100% pre- or post-consumer recycled
 - **Energy Reduction:** Reducing electricity consumption and improving machinery efficiency
 - **Landfill Reduction:** Diversion of plastic waste away from landfills and improved recycling of plastic, cardboard, tin and scrap metal
 - **Corporate Recycling:** Recycling plastic, paper and aluminum cans in our corporate offices
 - **Special Sustainability Teams:** Tasked with improving efficiency and reducing waste in our manufacturing processes
