General Information

Terms and Conditions of Sale

GEIGER

Application of Standard Terms

Only the standard terms of sale stated in this catalog apply to any transaction unless those terms are modified or supplemented by a written document signed by an officer of Geiger International, Inc. ("Geiger"). Any terms contained in Customer's purchase order, including standard printed provisions, that are additional to or contrary to these terms, are not effective.

Use of Furniture and Materials

Geiger assumes that textiles, leathers and products are intended for commercial use and are not being bought for use primarily for personal, family, or household purposes. When installed and used as intended, products remain chattel property, are not considered fixtures, and no interest in them should arise under applicable real estate law.

Furniture Prices

Prices are determined by using the published list prices in effect when Geiger receives Customer's completed purchase order. If Customer's requested ship date is more than three months after Geiger receives Customer's order, it may be repriced using the list prices in effect when products ship. If Customer designates special finishes or options, additional charges may apply. Services such as design, project management, packaging, storage, inside delivery, double handling, installation, or inventory management are not included in Geiger's list prices.

COM / COL Procedures

If an order includes Customer-supplied materials, Customer must ship those materials to Geiger at Customer's own expense. The materials must be tagged with Geiger's confirmation number, item number, Customer's name, and purchase order number. Geiger is not liable for inadequacies in Customer's materials. Geiger will notify Customer of any apparent defects in Customer's materials before manufacturing.

Taxes

Customer is responsible for any local sales taxes or other similar taxes imposed on transactions.

Delays

Geiger is not liable for failure to ship by the acknowledged shipping date or any other date. Geiger is not liable for a delay or failure in shipment or performance if the delay or failure is caused by acts of omission of Customer, its agents, employees, contractors, a governmental authority, or God; delays in transportation; or other similar causes that are not within Geiger's reasonable control. Geiger is excused from further performance of its obligations for the duration of a force majeure cause.

Changes and Cancellation

Geiger's acceptance of an order is final and binding and an order may not be changed or canceled without Geiger's written consent.

Orders placed on any of Geiger's expedited shipment programs and orders of custom-dyed or custom-woven materials may not be changed or canceled. To change or cancel other orders, contact Geiger Customer Care in writing for authorization and applicable charges.

Storage

If Customer cannot accept delivery when products are ready, Geiger reserves the right to transfer products to storage and products are invoiced at that time. Customer is responsible for actual storage charges and any other expenses relating to the storage of products or materials that Geiger incurs. Customer bears all risk of loss for products or materials in storage.

Freight Terms

For casegoods and seating orders shipped within the 48 contiguous United States, surface freight charges are included.

For textile and leather orders actual packing and freight charges will be invoiced. Orders are shipped UPS ground unless requested otherwise.

For orders shipped to Alaska or Hawaii, the freight terms stated above apply only to the port of embarkation. Shipments beyond that point are freight collect. Domestic deliveries are shipped FOB Geiger's plant to a destination designated by Customer by a method Geiger selects.

Packaging and Shipping

Geiger's casegoods products are shipped in component form. Shipments over \$50,000 net are blanket wrapped. Tops and panels are shrink wrapped with cardboard corner protection. Pedestals, storage units, overheads and vertical storage units are wrapped in blankets and shrink wrapped with cardboard corner protection. Blankets are to be returned to Geiger for reuse. If the customer request cartoning on orders over \$50,000 net, there will be a charge of five percent of the net order. Packing materials are recyclable.

Shipments under \$50,000 net are cartoned. Cartoned shipments are packaged with a combination of cardboard channels and shrink wrap. Packing materials are recyclable.

Geiger's seating is cartoned in boxes for less than truckload shipments. Full truckload shipments are blanket wrapped.

If Customer requests special shipping or delivery methods, Customer is responsible for any extra costs that result.

Packaging and Shipping (continued)

Customer obtains title to products and materials, and assumes the risk of loss for them, upon shipment from Geiger's plant. Geiger reserves the right to make partial shipments, of truckload quantities, as products are manufactured.

Effective May 2, 2011 Geiger will add a shipping charge to all purchase orders under \$100,000 list. The amount of the shipping charge will be equal to a percentage of the overall list price of the entire order based on the ship to address. These charges will not be discounted.

International Shipping

Orders for export are shipped Ex Works factory (Incoterms 2000). The charge for export packing is five percent of the net order value. There are no export packing charges on shipments to Canada.

Claims

All blanket wrapped shipments must be unwrapped and inspected at the dock, in the presence of the driver. Claims for "concealed damage" or "subject to inspection" will not be honored on blanket wrapped shipments.

All cartoned shipments must be inspected for visual outside damage to the package.

Damages and piece count shortages must be noted on the bill of lading. Freight claims must be filed within 30 days (including cartoned shipments with concealed damage). Contact Customer Care for a warranty/freight claim form and send it by fax, mail or email to:

Geiger International

Warranty

Geiger International, Inc. ("Geiger"), 6095 Fulton Industrial Blvd., SW, Atlanta, GA 30336-0068, USA, warrants the products sold by it to be free from defects in material and workmanship, regardless of the number of shifts during which the products are used, for the warranty periods specified below.

This warranty covers the sale of Geiger product in all countries. Not all of the product lines appearing on this list are marketed by Geiger in all countries, and appearance on this list does not imply an offer for sale of a product line in a particular place. Product line availability is defined in current price lists applicable to different regions.

Geiger Commercial Office Furniture Products

12 years

All products sold under the Geiger® brand name, except as limited or described below.

Textile Alliance ProgramSM Fabrics

3 years

Includes, but is not limited to Luna, Bergamo, Place and True fabrics and Edelman leathers.

IntersectionTM Fabric

3 years

Nonstandard Products

1 to 5 years

Warranty length on nonstandard products not covered by the 12-year warranty is identified on individual product quotes.

All Other Products, Parts, and Services

5 years

Electronic ballasts used in task lighting

3 years

All service parts

6 months

All other products, parts, and any services not listed above, sold or furnished by Geiger, except for consumable products such as light bulbs and other electronic products for which no warranty is given

Other Manufacturers' Products

None

Geiger will pass through to the original purchaser any warranty supplied by other manufacturers to the extent possible, including, but not limited to, open-line laminates.

Provisions that apply to all products and services:

During the applicable warranty period, Geiger, as its sole obligation, will repair or replace (at

Warranty (continued)

its option) any product, part, or component covered by this warranty and sold after the effective date of this warranty, which fails under normal use as a result of a defect in material or workmanship; Geiger will repair or replace the aforementioned product, part, or component with a comparable product, part, or component.

This warranty extends only to the original purchasers who acquire new product from Geiger, or its authorized resellers. Any product, part, or component must have been installed, used, and maintained according to Geiger's published instructions in order to be eligible for coverage under this warranty and must not have been subject to misuse or abuse. Any modification to the original product voids the warranty. Geiger does not warrant the performance of the product when used in combination with other than original Geiger product.

The warranty period starts from the date of purchase.

This document inclusively describes all of the warranties given and remedies available with respect to the company's products and services. Geiger disclaims any other warranty whether express or implied, statutory or otherwise, in relation to the products.

Geiger does not warrant:

- natural variations in wood grain or figure or the presence of character marks
- changes in surface finishes due to aging or exposure to light
- marks, scars, or wrinkles occurring naturally in leather
- veins, marks, voids, fissures, or cracks found naturally in stone

In addition, Geiger does not warrant:

- failure resulting from normal wear and tear
- the matching of colors, grains, or textures of natural materials
- the colorfastness or the matching of colors of textiles, including an exact match to cuttings or to swatch cards
- damage, marking, or staining of veneer surfaces due to contact with rubber or similar compounds; damage from sharp objects or imprinting from writing instruments, or prolonged exposure to direct sunlight

Geiger tests Customer's Own Material (COM) and other customer-supplied items for manufacturing quality only and does not provide any warranty with regard to these materials.

Geiger does not warrant products that are exposed to extreme environmental conditions or that have been subject to improper storage.

Warranty (continued)

Geiger's products meet the requirements of national and specific local codes as stated in the price books and other written publications.

TO THE EXTENT ALLOWED BY LAW, ANY IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED AND TO THE EXTENT THEY ARE LEGALLY REQUIRED, ARE LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN WARRANTY.

GEIGER SHALL NOT BE LIABLE FOR LOSS OF TIME, INCONVENIENCE, COMMERCIAL LOSS, OR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

Applies in US only: Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions in the two preceding paragraphs may not apply. This warranty gives the purchaser specific legal rights; however, the purchaser may also have other rights that may vary from state to state.

Applies outside US: Except as stated above, Geiger will not be liable for any loss or damage (including costs) however caused, whether direct or consequential, incurred or suffered by the purchaser or any third party in respect of the products but nothing contained herein will or will be considered to exclude or restrict any liability on Geiger's part for death or personal injury resulting from negligence.

Limitations and Disclaimers

Geiger is not liable for loss of time, inconvenience, lost profits, commercial loss, or other special, consequential, or incidental damages for any transaction.

Geiger reserves the right to change its designs, its methods of construction, or its prices, charges, or policies at any time without notice to Customer.

Design Rights

The designs depicted in Geiger's catalogs and price lists are proprietary to Geiger and Geiger reserves the exclusive right to manufacture them. Any reproduction of these designs infringes Geiger's rights and that infringement will be prosecuted.

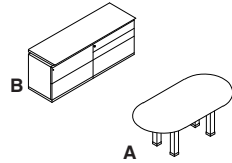

FSC Certification

Triuna casegoods are made with FSC certified substrates.

FSC certification is achieved through the use of FSC-certified core materials and drawer boxes. FSC-certified veneer is not required but is available upon request, possibly at additional cost. FSC-certified anigre and figured sapele veneers are not available.

The Forest Stewardship Council (FSC) is an international organization that promotes environmentally appropriate, socially beneficial and economically viable management of the world's forests. Products carrying the FSC label are independently certified to assure consumers that materials come from forests that are managed to meet the social, economic and ecological needs of present and future generations. FSC-certified furniture can contribute to the Certified Wood credit in the U.S. Green Building Council's LEED certification system.

How to Specify

- For each product ordered, specify a product number string. The string should include the product number and all finish and detail codes listed at the bottom of the pricebook page under "Specify".
- Specify finishes and details in the same sequence shown on the pricebook page.
- Product number string example:
VDS9L3566A4 944 E926 644 NO
S298 S312

The product number string above includes all codes for a Triuna single pedestal rectangular desk with the following specifications:

Product Number VDS9L3566A4
Wood Finish 644 Henna Cherry
Pull E926 Dome, Black
Base Finish 944 Henna Cherry
Locks NO Not Required
Trim S298 Single Line,
Ebonized Cherry
Marquetry S312 Square, Black

General Notes

- Most units ship unassembled; all hardware for assembly is included.
- Depth dimensions include 2" edge overhang.
- Triuna tops are 1 1/2" thick floating tops supported by 1 1/2" high black spacers. Bases are 1" high wood.
- Edge detail on Triuna tops is Knife edge (E12), with 2" overhang. Reverse Knife edge detail is provided on attaching end of L and bridge returns and runoff desk tops.

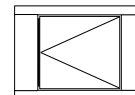

- All shelves are 1" thick and adjustable or removable unless otherwise noted.
- A pencil tray is included in the top box drawer of all pedestals with box drawers. Hanging file frames are included in all pedestals and low storage with file drawers. File frames accommodate letter or legal files.
- When locks are specified, lock cylinders are provided for field installation. Keyed alike locks are keyed according to order tagging. There is no upcharge.

Returns, Rear Units and Credenzas

- Electrical access back panels include a hinged electrical access door, centrally located in the kneespace.

Kneespace Width	Door Width
21" to 31 1/2"	16"
32" to 41 1/2"	24"
42" and wider	30"

- Pedestals and low storage may be added only to rear units and kneespace credenzas that do not include electrical access doors. Be certain to allow sufficient kneespace.

Bookcases and Vertical Storage

- Bookcases and vertical storage units have unfinished backs.
- Bookcases and vertical storage units are available with finished tops or with separate wood tops. Separate tops are 1 1/2" thick with Knife edge on user side.
- Combination vertical storage units include an upper vertical storage unit with doors, a worksurface, 1 1/2" high black spacers, and a low storage unit.

Upper Bookcases

- Inside depth clearance of upper bookcases is 13 3/4".

Wall Mount Storage

- Inside depth clearance of wall mount storage is 13 1/4". Inside height clearance is as follows:
 21 1/2"H units 17"H
 21 1/2"H bi-level units 5", 13 3/4"H
 33 1/2"H units 28"H
 33 1/2"H bi-level units 5", 24"H
- Bi-level units include a project shelf, and do not accommodate light fixtures. All other wall mount storage includes light fixtures. Lights ship separately for field installation.
- All units are predrilled for black wire dividers; two dividers are included. Additional dividers can be ordered separately.
- Customer should give close attention to the integrity and stability of the wall on which wall mount storage is attached. Customer is responsible for the cost of reinforcing or improving its walls, and should involve an architect or engineer where appropriate. Attachment hardware should be securely fastened to studs in load-bearing walls or in another secure fashion.

Upper Storage and Tower Units

- Inside depth clearance of upper storage is 13 3/4".
- Inside height clearance of upper storage is as follows:
 43"H units 17"H
 43"H bi-level units 5", 13 3/4"H
 55"H units 28"H
 55"H bi-level units 5", 24"H
- Upper storage units and overhead / tower units do not include tackboards. Tackboards are required and must be specified separately. Tackboards ship separately for field installation.
- Bi-level units include a project shelf, and do not accommodate light fixtures. All other upper storage and overhead / tower units include light fixtures. Lights ship separately for field installation.
- All units (except side towers) are predrilled for black wire dividers; two dividers are included. Additional dividers can be ordered separately.
- Upper storage and overhead / tower units are designed to be used above credenzas (Fig. 1) or rear units (Fig. 2).

Fig. 1

Fig. 2

If upper storage or overhead / tower units are required for use across a desk / L return (Fig. 3), or across a desk / bridge return / rear unit (Fig. 4), the overall dimensions of all units must be carefully calculated to ensure proper alignment.

Fig. 3

Fig. 4

Upper storage units are designed with side panel support on each end. If the overall width of the stacking storage unit(s) exceeds the total width of the casegoods underneath, the unit will be too wide to be supported as necessary on both ends.

For assistance, please contact your Geiger project manager or Customer Care representative at 1.800.456.6452.

COM Fabric Requirements

Yardages listed below are based on 54" or 66" wide fabric with no pattern or repeat. Geiger Customer Service must confirm yardage requirements for narrower fabrics or fabrics with pattern or repeat.

28" to 48" wide tackboard	1 1/2 yards
52" to 96" wide tackboard	3 yards

COM Procedures • Tackboards

Geiger accepts COM for application on its products. However, Geiger does not warrant the application, suitability or performance of those materials. Geiger reserves the right to reject any COM that it considers unsuitable. Geiger will notify Customer of any apparent defects in Customer's materials before manufacture.

Orders that include COM are scheduled at standard leadtime when Geiger receives all the materials on the order. Geiger will split ship COM orders only if Customer notifies Geiger in writing.

Testing and Approval

All Customer's Own Material requires testing and approval prior to order submission. Failure to obtain approval will result in delayed processing and scheduling of the order.

Step 1. Herman Miller dealers should request a COM test number through Kiosk. Customers and dealers without Kiosk access should contact Geiger Customer Care at 800.456.6452 for a test number.

Step 2. Send one memo-sized sample tagged with the test number to:

Geiger International, Inc.
6095 Fulton Industrial Blvd
Atlanta, GA 30336
Attention: COM Approval

Step 3. Within four business days of receipt of the memo sample you will be contacted by Geiger Customer Care Department with testing results. If approved, you will be given a four-digit COM number for the fabric, and yardage requirements will be confirmed.

The COM number is specific to each fabric and indicates supplier, fabric style, color and applied direction of the fabric. It must be shown on the purchase order and the COM tagging when shipped to Geiger.

Tagging and Shipment

Customer must ship COM materials to Geiger at their own expense. To match the material with the Customer's order, all COM must be tagged as follows:

COM No. _____
Dealer Name _____
Customer Name _____
Dealer PO No. _____
Geiger Order No. _____
Product Item No. _____

All COM for tackboards should ship to:

Geiger International, Inc.
6095 Fulton Industrial Blvd
Atlanta, GA 30336
Attention: Tackboard Department

Geiger is not responsible for delays caused by fabric not correctly marked or shipped to the wrong location. Freight charges to ship COM from an incorrect location to Geiger may be charged to the Customer.

Questions regarding COM procedures should be directed to Geiger Customer Care at 800.456.6452.

Calculate the total number of locks per office. 2. For each office, order a lock cylinder kit with the required number of cylinders. Use part number PLUG1 (1 cylinder), PLUG2 (2 cylinders), etc. up to PLUG15. 3. Specify lock cylinder finish X Black or N Nickel. 4. If a specific key number is required, specify a key number between 226 and 427, excluding 408 and 412. 5. Include tagging information (floor, office, typical, etc.).	Square Marquetry <i>(add S Marquetry upcharge shown on the product page)</i> S312 Black S11 Champagne Maple S21 Champagne Beech S42 Sundance Cherry S81 Champagne Hickory SUL Natural Maple (HMI)
Notes Specify Light Bulb Color, Light Cord Variation and Light Installation Location. Wired light fixtures are shipped with eight-foot cords with plugs. Cords are attached on the left or right, as specified. Lights ship separately for field installation. Fixtures for international installations and installations in the United Kingdom (UK) are provided with a universal ballast and a U.K. cord and plug. Provision of power source and installation of fixtures are the responsibility of the Customer and should be performed by a licensed electrician according to local codes.	Lock Cylinder Order Example Part Number PLUG3 Description Lock cylinder kit, includes 3 lock cylinders, keyed alike Lock Finish X Black Key Number 233 Tag Third Floor, Office 300	
		Triangle Marquetry <i>(add T Marquetry upcharge shown on the product page)</i> T312 Black T11 Champagne Maple T21 Champagne Beech T42 Sundance Cherry T81 Champagne Hickory TUL Natural Maple (HMI)
		
		No Marquetry NOIM No Marquetry Required
		Notes Black wood marquetry is available on any wood finish top. Natural finish marquetry is available on natural wood finish tops only. Wood marquetry is 3/16" wide. S and T Medallion locations vary according to the table size, shape and corner detail. Marquetry finish sheen will match sheen of top finish.

Wave Pull <i>finished to match drawer fronts</i> S Wave Pull		
Notes Wave, Wood and Wood Lip pulls are solid wood. In some cases the solid wood species is different from the wood species used on veneered surfaces such as desk tops, doors and drawer fronts. Solid wood pulls may differ in color and graining from veneered fronts with the same finish code when they are two different wood species. The solid wood species used with each wood finish is noted below: Anigre finish cherry solid Ash finish ash solid Beech finish maple solid Cherry finish cherry solid Hickory finish oak solid Maple finish maple solid Oak finish oak solid Sapele finish mahogany solid Walnut finish walnut solid When Flush pulls and locks are specified on low storage doors, lock is located in the top left corner of the right door. Flush pulls are not available on mobile pedestals with pencil/box/file drawers. Wave pulls are not available on doors. When Wave pulls are specified on vertical storage units with drawers below a single door, door includes no pull and touch latch on door. When Wave pulls are specified on vertical storage units with drawers below double doors, doors include no pull and touch latch on right door. Wood Lip pulls are available with Horizontal, Single Line or Triple Line trim.

Anigre, and sapele veneers are quarter-cut and slip matched. Oak veneers are rift cut and slip matched. Champagne ash and ebony ash veneers are flat-cut and book matched. Platinum ash and white ash are quarter-cut and slip matched. For products with solid wood edges or legs, the solid wood species used with each type of wood finish is as follows: Anigre finish cherry solid Ash finish ash solid Beech finish maple solid Cherry finish cherry solid Hickory finish oak solid Maple finish maple solid Oak finish oak solid Sapele finish mahogany solid Walnut finish walnut solid Natural wood finishes are unstained to maintain the natural beauty and clarity of the wood. When the veneer and solid wood species are not the same the veneer and solid may differ in color and graining. When a stained wood finish is specified, the solid wood edges are stained to match the veneer top as closely as possible. Special finish colors may be developed for orders over \$200,000 list upon request at no additional charge. A set-up fee of \$250 will be charged on orders under \$200,000 list for each special finish. In order to protect the quality and durability of Geiger's finish, the chemical composition of the staining materials, water-base sealers, and urethane top coats will not be altered for special finishes. Exotic veneers such as pearwood, bird's eye maple and sycamore are available upon request, at additional cost. For further information and procedures for special finishes or exotic veneers, contact your Geiger sales representative.
