Application of Standard Terms

Only the standard terms of sale stated in this catalog apply to any transaction unless those terms are modified or supplemented by a written document signed by an officer of Geiger International, Inc. ("Geiger"). Any terms contained in Customer's purchase order, including standard printed provisions, that are additional to or contrary to these terms, are not effective.

Use of Furniture and Materials

Geiger assumes that textiles, leathers and products are intended for commercial use and are not being bought for use primarily for personal, family, or household purposes. When installed and used as intended, products remain chattel property, are not considered fixtures, and no interest in them should arise under applicable real estate law.

Furniture Prices

Prices are determined by using the published list prices in effect when Geiger receives Customer's completed purchase order. If Customer's requested ship date is more than three months after Geiger receives Customer's order, it may be repriced using the list prices in effect when products ship. If Customer designates special finishes or options, additional charges may apply. Services such as design, project management, packaging, storage, inside delivery, double handling, installation, or inventory management are not included in Geiger's list prices.

COM / COL Procedures

If an order includes Customer-supplied materials, Customer must ship those materials to Geiger at Customer's own expense. The materials must be tagged with Geiger's confirmation number, item number, Customer's name, and purchase order number. Geiger is not liable for inadequacies in Customer's materials. Geiger will notify Customer of any apparent defects in Customer's materials before manufacturing.

Taxes

Customer is responsible for any local sales taxes or other similar taxes imposed on transactions.

Delays

Geiger is not liable for failure to ship by the acknowledged shipping date or any other date. Geiger is not liable for a delay or failure in shipment or performance if the delay or failure is caused by acts of omission of Customer, its agents, employees, contractors, a governmental authority, or God; delays in transportation; or other similar causes that are not within Geiger's reasonable control. Geiger is excused from further performance of its obligations for the duration of a force majeure cause.

Changes and Cancellation

Geiger's acceptance of an order is final and binding and an order may not be changed or canceled without Geiger's written consent.

Orders placed on any of Geiger's expedited shipment programs and orders of custom-dyed or custom-woven materials may not be changed or canceled. To change or cancel other orders, contact Geiger Customer Care in writing for authorization and applicable charges.

Storage

If Customer cannot accept delivery when products are ready, Geiger reserves the right to transfer products to storage and products are invoiced at that time. Customer is responsible for actual storage charges and any other expenses relating to the storage of products or materials that Geiger incurs. Customer bears all risk of loss for products or materials in storage.

Freight Terms

For casegoods and seating orders shipped within the 48 contiguous United States, surface freight charges are included.

For textile and leather orders actual packing and freight charges will be invoiced. Orders are shipped UPS ground unless requested otherwise.

For orders shipped to Alaska or Hawaii, the freight terms stated above apply only to the port of embarkation. Shipments beyond that point are freight collect. Domestic deliveries are shipped FOB Geiger's plant to a destination designated by Customer by a method Geiger selects.

Packaging and Shipping

Geiger's casegoods products are shipped in component form. Shipments over $50,000 net are blanket wrapped. Tops and panels are shrink wrapped with cardboard corner protection. Pedestals, storage units, overheads and vertical storage units are wrapped in blankets and shrink wrapped with cardboard corner protection. Blankets are to be returned to Geiger for reuse. If the customer request cartoning on orders over $50,000 net, there will be a charge of five percent of the net order. Packing materials are recyclable.

Shipments under $50,000 net are cartoned. Cartoned shipments are packaged with a combination of cardboard channels and shrink wrap. Packing materials are recyclable.

Geiger's seating is cartoned in boxes for less than truckload shipments. Full truckload shipments are blanket wrapped.

If Customer requests special shipping or delivery methods, Customer is responsible for any extra costs that result.

Packaging and Shipping (continued)

Customer obtains title to products and materials, and assumes the risk of loss for them, upon shipment from Geiger's plant. Geiger reserves the right to make partial shipments, of truckload quantities, as products are manufactured.

Effective May 2, 2011 Geiger will add a shipping charge to all purchase orders under $100,000 list. The amount of the shipping charge will be equal to a percentage of the overall list price of the entire order based on the ship to address. These charges will not be discounted.

International Shipping

Orders for export are shipped Ex Works factory (Incoterms 2000). The charge for export packing is five percent of the net order value. There are no export packing charges on shipments to Canada.

Claims

All blanket wrapped shipments must be unwrapped and inspected at the dock, in the presence of the driver. Claims for "concealed damage" or "subject to inspection" will not be honored on blanket wrapped shipments.

All cartoned shipments must be inspected for visual outside damage to the package.

This warranty gives the purchaser specific legal rights; however, the purchaser may also have other rights that may vary from state to state.

Applies outside US: Except as stated above, Geiger will not be liable for any loss or damage (including costs) however caused, whether direct or consequential, incurred or suffered by the purchaser or any third party in respect of the products but nothing contained herein will or will be considered to exclude or restrict any liability on Geiger's part for death or personal injury resulting from negligence.

Geiger reserves the right to change its designs, its methods of construction, or its prices, charges, or policies at any time without notice to Customer.

Upholstery • COM/COL

Seating COM/COL Procedures

Geiger accepts COM and COL for application on its products. However, Geiger does not warrant the application, suitability, or performance of those materials. Geiger reserves the right to reject any COM or COL that it considers unsuitable. Geiger will notify Customer of any apparent defects in Customer's materials before manufacture.

Use Basic Price for seating upholstered in Customer's Own Material (COM). Add COL price to Basic Price for seating upholstered in Customer's Own Leather (COL).

Express seating orders that include COM or COL are scheduled at Express leadtime when Geiger receives all the materials on the order. Geiger will split ship COM/COL orders only if Customer notifies Geiger in writing that this is required.

Questions regarding COM procedures should be directed to Geiger Customer Care at 800.456.6452 or Herman Miller COM Department at 616.654.3400.

Testing and Approval
All Customer's Own Material and Customer's Own Leather requires testing and approval prior to order submission. Failure to obtain approval will result in delayed processing and scheduling of the order.

Step 1. Herman Miller dealers should request a COM test number through Kiosk. Customers and dealers without Kiosk access should contact Geiger Customer Care at 800.456.6452 for a test number.

Step 2. Send one memo-sized sample tagged with the test number to:

Geiger North Carolina
218 Cline Park Drive
Hildebran, NC 28637
Attn: COM

Step 3. Within four business days of receipt of the samples you will be contacted by Geiger Customer Care or the Herman Miller COM Department with testing results. If approved, you will be given a four-digit COM number for the fabric, and yardage requirements will be confirmed.

The COM number is specific to each fabric and indicates the supplier name, fabric style name, color and applied direction of the fabric. It must be shown on the purchase order and on the COM and COL tagging when shipped to Geiger.

Tagging and Shipment
If an order is to include materials supplied by the Customer, Customer must ship materials to Geiger at Customer's own expense. In order to match the appropriate material with the Customer's order, all COM and COL must be tagged as follows:

COM/COL No.   _____
Dealer Name   _____
Customer Name   _____
Dealer P.O. No.   _____
Geiger Order No.   _____
Product Item No.   _____

For all seating:

Geiger North Carolina
218 Cline Park Drive
Hildebran, NC 28637
Attn: COM

Geiger is not responsible for delays caused by fabric not correctly marked or shipped to the wrong location. Freight charges to ship COM from an incorrect location to Geiger may be charged to the Customer.

COM/COL Requirements

Yardages listed for COM are based on 54" wide fabric, with no repeat. Fabrics which have a repeat that must be matched, or are less than 54" wide, require more yardage and the following chart should be used for determining COM yardage requirements. For fabric with both horizontal and vertical repeats, add the horizontal and vertical repeat inches together. Use the total number of repeat inches to determine the additional fabric needed.

Fabric Width	Plain Fabric	2"-10" Repeat	11"-20" Repeat	21"-25" Repeat	26"-30" Repeat
54"	0%	10%	15%	20%	25%
51" - 53"	15%	20%	25%	30%	35%
48" - 50"	30%	35%	40%	45%	50%
45" - 47"	45%	50%	55%	60%	65%
36" - 44"	60%	65%	70%	75%	80%

COL requirements are shown in square feet and figured on hides that are 55 square feet or larger. On smaller hides, add 15% to the COL requirements. Hides other than cowhide leather cannot be accepted.

Notes

Wood chair frames are constructed of solid wood, except as noted. All chairs in Geiger's pricebook are identified as to the hardwood species used in their production. Finishes are available only on the solid woods indicated.

When a stained wood finish is specified, the solid wood is stained to match the color of the selected finish.

Appropriate hardwoods are selected to provide a product that will stand up to normal office use and perform under Geiger's 12-year warranty. In certain situations other hardwoods may be appropriate and Geiger will evaluate their use for orders over 100 units.

Special finishes can be developed for seating on a minimum order of 100 chairs at no additional charge. For seating orders under 100 chairs, special finishes may be developed for a one-time set-up fee of $250 per finish.

For additional information and procedures for special hardwoods or finishes, contact your Geiger sales representative or Geiger Customer Care at 800.456.6452.
