Shipping Details*

- Items ship in corrugated packaging or a standard wood crate.
- Product ships unassembled and requires final assembly to be provided by others in the field.
- All shipments require a Per Shipment Base Charge plus an additional Freight Cost per pound.
- Shipping costs reflect shipment via standard freight service only (unloading, unpacking etc. are not part of standard service).
- Large items (85 lbs. or more) delivery will be made by an LTL carrier contained in a 48' to 53' trailer; client must notify Skyline Design prior to shipment if destination cannot handle this type of delivery.
- Services such as lift gate delivery and direct delivery to a jobsite will be at additional charge. Inside deliveries are not available.

Freight Rates		
Total Order Weight	Per Shipment Base Rate	
10-50 lbs.	plus Freight Cost per pound	\$2.50
51-100 lbs.	plus Freight Cost per pound	\$2.25
101-150 lbs.	plus Freight Cost per pound	\$2.00
>151 lbs.	plus Freight Cost per pound	\$1.50

***Applies to continental US only. Offshore and Canada require freight quotes per order.**
