

The Bretford® Grade-in Program

The Bretford® Grade-in Program has been designed to offer a host of benefits to customers for all Bretford upholstered products. Bretford has partnered with Momentum and Wollsdorf leather to offer hundreds of options that are now graded into the Bretford price list. Customers simply pick a graded fabric, vinyl or leather pattern, grade and color, place an order with Bretford and Bretford will take care of everything else. Material testing is no longer required. Upholstery pricing for the Grade-in Program is available on bretford.com. Color options as well as samples can be viewed and ordered through the Momentum Group's website at themomgroup.com, through Wollsdorf at sales@wollsdorfleather.com. Customer Owned Material (COM) and Customer Owned Leather (COL) orders are still welcome. COM nor COL materials are required to be tested, however customers will need to purchase their own material and send it directly to Bretford for the manufacturing process.

*Bretford offers all Momentum Textiles as a standard. Loomsource nor Textus are offered as a Bretford standard.
