

RHOMBII Z Bracket and Retention Clip Kit

Assembly Instructions

PARTS LIST

Qty	Description
2	Z Brackets (010-5320)
2	Black Knobs (012-0651)
2	Retention Clips (010-5706)
2	#12 x 3/4" Screws (030-0453)

Z Bracket Instructions

STEP 1

Turn table over and install each Z bracket with knobs as shown. **LEAVE THEM LOOSE FOR NOW.**

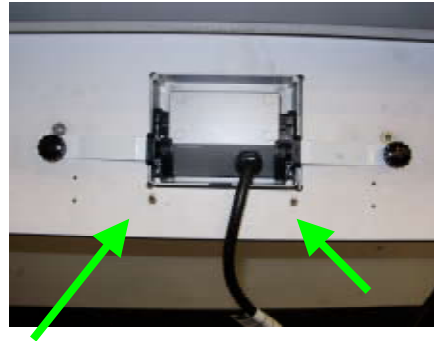

STEP 2

Install your power unit. Then slide the brackets into the black slots on each side of the power unit. Tighten knobs to secure brackets in place.

Retention Clip Instructions

Install a retention clip into each hole on the underside of your table indicated above

The retaining clips work by supporting the bottom of the plastic pivot assembly pictured. It is important that during installation, the clip covers the bottom of the pivot assembly but does not interfere with the rounded pivot arm.
