

Made from renowned Herman Oak leather, our Cowden Bell tiles are slightly thinner than saddle leather and suitable for both floors and walls. Hand-dyed and stamped by Cowden Bell, each tile is subtly different in color and texture, and affords a warm, richly detailed and resilient floor or wall.

Product Usage Recommendations

- Suitable for all indoor dry vertical applications. Light use flooring in select circumstances, consult the manufacturer for use.
- Not recommended for outdoor use

Installation & Maintenance Guidelines

- Install per manufacturers' installation instructions
