

Tombolo

Designed by MostModest, the Tombolo sectional allows for **infinite floor plan flexibility**. With both linear and curved elements, Tombolo fits any need from lounge to cafe to large public spaces. Through material and color, the designer has an **unlimited palette** in which to create interiors from the subdued to the expressive. Wood contrasts with powder coated metal creating a warm and engaging sofa collection. **Integrate power and table surfaces** to create the ideal relaxed working environment. Contact HighTower project management for assistance with sectional specifications. **Proudly hand crafted in the USA.**
