

Ann Sacks Collection's stoneware body allows for larger formats up to 9" x 9". Unique and unexpected in its beauty and depth, the glazes take on their own character dependent upon the heat of the kiln, thereby producing the uneven, interactive surfaces so coveted today.

Product Usage Recommendations

- Suitable for indoor vertical and horizontal applications.
- Suitable for outdoor vertical use dependent upon climate and method of installation.

Installation and Maintenance Guidelines

- Install per industry standards for ceramic tile.
- Always inspect material prior to installation; installed material cannot be accepted for return or credit.
