

A subtly textured surface and soft palette make their debut with Jute, our new glass tile collection. Jute reflects light in a way that creates a distinctive, highly dimensional surface.

Product Usage Recommendations

- Suitable for all indoor wall applications
- Outdoor wall use subject to climate and method of installation
- Suitable for use in wet areas such as showers, pools or fountains. For mosaics in pools and fountains, it is recommended to custom order paper faced for a more secure installation (minimum order requirements apply - check with vendor for specifics)

Installation and Maintenance Guidelines

- Install per manufacturers' installation instructions, carefully following directions unique to this material
- Always inspect material prior to installation; installed material cannot be accepted for return or credit
- To avoid cracking, always use a crack suppression membrane and make cuts using proper glass-cutting equipment
- Due to transparent quality, use white thinset adhesive
- Seal matte finish with a penetrating sealer before and after grouting
- Use non-sanded grout for gloss finish to avoid scratching
- Clean with warm soapy water or PH neutral glass cleaner and soft cloth
