

The Tuscany region of Italy produces some of the most beautiful and famed travertine in the world. Bruno Tuscano characterizes the richness and warmth of the region through colors of warm nutty brown, cream and ochre.

Product Usage Recommendations

- Suitable for all indoor wall applications.
- Outdoor use subject to climate and method of installation.

Installation & Maintenance Guidelines

- Install per industry standards for natural stone.
- Inspect material prior to installation; installed material cannot be accepted for return or credit.
- Lay out material prior to installation to properly blend and balance color.
- It is recommended to seal natural stone with a penetrating sealer.
- Periodic cleaning and resealing with products formulated for natural stone is recommended.
