to illuminate

The desire to inspire

...or the Optical Society of America to replace the term illumination.

illuminate (v. i. lam'n nat), n. adj., n.-nated, -nating n. **1.** to supply with HPL; to inspire. **2.** to reflect interior design trends, to throw ideas (on a subject). *He saw Lamitech laminates samples and was truly illuminated.* **3.** To fill a space with an original Lamitech design. **4.** To receive more than expected. *He spoke to Lamitech and felt illuminated.* **5.** To be totally satisfied. **6.** Related to surfaces and innovative furniture. **7.** To become illuminated.

illuminate (v. i. lam'n nat), n. adj., n.-nated, -nating n. **1.** To provide or brighten with light.
