General Information

Terms and Conditions of Sale Order Information

GEIGER

Application of Standard Terms

Only the standard terms of sale stated in this catalog apply to any transaction unless those terms are modified or supplemented by a written document signed by an officer of Geiger International, Inc. ("Geiger"). Any terms contained in Customer's purchase order, including standard printed provisions, that are additional to or contrary to these terms, are not effective.

Use of Furniture and Materials

Geiger assumes that textiles, leathers and products are intended for commercial use and are not being bought for use primarily for personal, family, or household purposes. When installed and used as intended, products remain chattel property, are not considered fixtures, and no interest in them should arise under applicable real estate law.

Furniture Prices

Prices are determined by using the published list prices in effect when Geiger receives Customer's completed purchase order. If Customer's requested ship date is more than three months after Geiger receives Customer's order, it may be repriced using the list prices in effect when products ship. If Customer designates special finishes or options, additional charges may apply. Services such as design, project management, packaging, storage, inside delivery, double handling, installation, or inventory management are not included in Geiger's list prices.

COM / COL Procedures

If an order includes Customer-supplied materials, Customer must ship those materials to Geiger at Customer's own expense. The materials must be tagged with Geiger's confirmation number, item number, Customer's name, and purchase order number. Geiger is not liable for inadequacies in Customer's materials. Geiger will notify Customer of any apparent defects in Customer's materials before manufacturing.

Taxes

Customer is responsible for any local sales taxes or other similar taxes imposed on transactions.

Delays

Geiger is not liable for failure to ship by the acknowledged shipping date or any other date. Geiger is not liable for a delay or failure in shipment or performance if the delay or failure is caused by acts of omission of Customer, its agents, employees, contractors, a governmental authority, or God; delays in transportation; or other similar causes that are not within Geiger's reasonable control. Geiger is excused from further performance of its obligations for the duration of a force majeure cause.

Changes and Cancellation

Geiger's acceptance of an order is final and binding and an order may not be changed or canceled without Geiger's written consent.

Orders placed on any of Geiger's expedited shipment programs and orders of custom-dyed or custom-woven materials may not be changed or canceled. To change or cancel other orders, contact Geiger Customer Care in writing for authorization and applicable charges.

Storage

If Customer cannot accept delivery when products are ready, Geiger reserves the right to transfer products to storage and products are invoiced at that time. Customer is responsible for actual storage charges and any other expenses relating to the storage of products or materials that Geiger incurs. Customer bears all risk of loss for products or materials in storage.

Freight Terms

For casegoods and seating orders shipped within the 48 contiguous United States, surface freight charges are included.

For textile and leather orders actual packing and freight charges will be invoiced. Orders are shipped UPS ground unless requested otherwise.

For orders shipped to Alaska or Hawaii, the freight terms stated above apply only to the port of embarkation. Shipments beyond that point are freight collect. Domestic deliveries are shipped FOB Geiger's plant to a destination designated by Customer by a method Geiger selects.

Packaging and Shipping

Geiger's casegoods products are shipped in component form. Shipments over \$50,000 net are blanket wrapped. Tops and panels are shrink wrapped with cardboard corner protection. Pedestals, storage units, overheads and vertical storage units are wrapped in blankets and shrink wrapped with cardboard corner protection. Blankets are to be returned to Geiger for reuse. If the customer request cartoning on orders over \$50,000 net, there will be a charge of five percent of the net order. Packing materials are recyclable.

Shipments under \$50,000 net are cartoned. Cartoned shipments are packaged with a combination of cardboard channels and shrink wrap. Packing materials are recyclable.

Geiger's seating is cartoned in boxes for less than truckload shipments. Full truckload shipments are blanket wrapped.

If Customer requests special shipping or delivery methods, Customer is responsible for any extra costs that result.

Packaging and Shipping (continued)

Customer obtains title to products and materials, and assumes the risk of loss for them, upon shipment from Geiger's plant. Geiger reserves the right to make partial shipments, of truckload quantities, as products are manufactured.

Effective May 2, 2011 Geiger will add a shipping charge to all purchase orders under \$100,000 list. The amount of the shipping charge will be equal to a percentage of the overall list price of the entire order based on the ship to address. These charges will not be discounted.

International Shipping

Orders for export are shipped Ex Works factory (Incoterms 2000). The charge for export packing is five percent of the net order value. There are no export packing charges on shipments to Canada.

Claims

All blanket wrapped shipments must be unwrapped and inspected at the dock, in the presence of the driver. Claims for "concealed damage" or "subject to inspection" will not be honored on blanket wrapped shipments.

All cartoned shipments must be inspected for visual outside damage to the package.

Damages and piece count shortages must be noted on the bill of lading. Freight claims must be filed within 30 days (including cartoned shipments with concealed damage). Contact Customer Care for a warranty/freight claim form and send it by fax, mail or email to:

Geiger International
6095 Fulton Industrial Blvd
Atlanta, GA 30336-2806

Warranty

Geiger International, Inc. ("Geiger"), 6095 Fulton Industrial Blvd., SW, Atlanta, GA 30336-2806, USA, warrants the products sold by it to be free from defects in material and workmanship, regardless of the number of shifts during which the products are used, for the warranty periods specified below.

This warranty covers the sale of Geiger product in all countries. Not all of the product lines appearing on this list are marketed by Geiger in all countries, and appearance on this list does not imply an offer for sale of a product line in a particular place. Product line availability is defined in current price lists applicable to different regions.

Geiger Commercial Office Furniture Products

12 years

All products sold under the Geiger® brand name, except as limited or described below.

Textile Alliance ProgramSM Fabrics

3 years

Includes, but is not limited to Luna, Bergamo, Joseph Noble, Place, and True fabrics and Edelman leathers.

IntersectionTM Fabric

3 years

Nonstandard Products

1 to 5 years

Warranty length on nonstandard products not covered by the 12-year warranty is identified on individual product quotes.

All Other Products, Parts, and Services

5 years

Electronic ballasts used in task lighting

3 years

All service parts

6 months

All other products, parts, and any services not listed above, sold or furnished by Geiger, except for consumable products such as light bulbs and other electronic products for which no warranty is given

Other Manufacturers' Products

None

Geiger will pass through to the original purchaser any warranty supplied by other manufacturers to the extent possible, including, but not limited to, open-line laminates.

Provisions that apply to all products and services:

During the applicable warranty period, Geiger, as its sole obligation, will repair or replace (at its option) any product, part, or component covered by this warranty and sold after the effective date of this warranty, which fails under normal use as

Warranty (continued)

a result of a defect in material or workmanship; Geiger will repair or replace the aforementioned product, part, or component with a comparable product, part, or component.

This warranty extends only to the original purchasers who acquire new product from Geiger, or its authorized resellers. Any product, part, or component must have been installed, used, and maintained according to Geiger's published instructions in order to be eligible for coverage under this warranty and must not have been subject to misuse or abuse. Any modification to the original product voids the warranty. Geiger does not warrant the performance of the product when used in combination with other than original Geiger product.

The warranty period starts from the date of purchase.

This document inclusively describes all of the warranties given and remedies available with respect to the company's products and services. Geiger disclaims any other warranty whether express or implied, statutory or otherwise, in relation to the products.

Geiger does not warrant:

- natural variations in wood grain or figure or the presence of character marks
- changes in surface finishes due to aging or exposure to light
- marks, scars, or wrinkles occurring naturally in leather
- veins, marks, voids, fissures, or cracks found naturally in stone

In addition, Geiger does not warrant:

- failure resulting from normal wear and tear
- the matching of colors, grains, or textures of natural materials
- the colorfastness or the matching of colors of textiles, including an exact match to cuttings or to swatch cards
- damage, marking, or staining of veneer surfaces due to contact with rubber or similar compounds; damage from sharp objects or imprinting from writing instruments, or prolonged exposure to direct sunlight

Geiger tests Customer's Own Material (COM) and other customer-supplied items for manufacturing quality only and does not provide any warranty with regard to these materials.

Geiger does not warrant products that are exposed to extreme environmental conditions or that have been subject to improper storage.

Geiger's products meet the requirements of national and specific local codes as stated in the price books and other written publications.

Warranty (continued)

TO THE EXTENT ALLOWED BY LAW, ANY IMPLIED WARRANTIES, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARE DISCLAIMED AND TO THE EXTENT THEY ARE LEGALLY REQUIRED, ARE LIMITED IN DURATION TO THE DURATION OF THIS WRITTEN WARRANTY.

GEIGER SHALL NOT BE LIABLE FOR LOSS OF TIME, INCONVENIENCE, COMMERCIAL LOSS, OR INCIDENTAL OR CONSEQUENTIAL DAMAGES.

Applies in US only: Some states do not allow limitations on how long an implied warranty lasts or do not allow the exclusion or limitation of incidental or consequential damages, so the limitations or exclusions in the two preceding paragraphs may not apply. This warranty gives the purchaser specific legal rights; however, the purchaser may also have other rights that may vary from state to state.

Applies outside US: Except as stated above, Geiger will not be liable for any loss or damage (including costs) however caused, whether direct or consequential, incurred or suffered by the purchaser or any third party in respect of the products but nothing contained herein will or will be considered to exclude or restrict any liability on Geiger's part for death or personal injury resulting from negligence.

Limitations and Disclaimers

Geiger is not liable for loss of time, inconvenience, lost profits, commercial loss, or other special, consequential, or incidental damages for any transaction.

Geiger reserves the right to change its designs, its methods of construction, or its prices, charges, or policies at any time without notice to Customer.

Design Rights

The designs depicted in Geiger's catalogs and price lists are proprietary to Geiger and Geiger reserves the exclusive right to manufacture them. Any reproduction of these designs infringes Geiger's rights and that infringement will be prosecuted.

How to Specify

- For each product ordered, specify a product number string. The string should include the product number and all finish and detail codes listed at the bottom of the pricebook page.
- Specify the finishes and details in the same sequence shown on the pricebook page.
- Product Number String Example:
HMUS 8Q01 MS HK BB 5-507

The product number string above includes all codes for a Foray chair with T arms and upholstered arm pads:

Product Number HMUS
Upholstery 8Q01 Moguls Taupe
Metal MS Metallic Silver
Cylinder HK Medium
Caster BB Hard Dual Wheel
Arm Pad 5-507 Bristol Black

- Basic Price reflects the price of the seating without upholstery fabric. For total product pricing, determine the price group of the upholstery specified. Add the appropriate upholstery price to the Basic Price.

Add upcharges for Base Finish, Casters, Cylinder or Metal Finish if required.

Upholstery • COM/COL

Seating COM/COL Procedures

Geiger accepts COM and COL for application on its products. However, Geiger does not warrant the application, suitability, or performance of those materials. Geiger reserves the right to reject any COM or COL that it considers unsuitable. Geiger will notify Customer of any apparent defects in Customer's materials before manufacture.

Use Basic Price for seating upholstered in Customer's Own Material (COM). Add COL price to Basic Price for seating upholstered in Customer's Own Leather (COL).

Express seating orders that include COM or COL are scheduled at Express leadtime when Geiger receives all the materials on the order. Geiger will split ship COM/COL orders only if Customer notifies Geiger in writing that this is required.

Questions regarding COM procedures should be directed to Geiger Customer Care at 800.456.6452 or Herman Miller COM Department at 616.654.3400.

Testing and Approval

All Customer's Own Material and Customer's Own Leather requires testing and approval prior to order submission. Failure to obtain approval will result in delayed processing and scheduling of the order.

Step 1. Herman Miller dealers should request a COM test number through Kiosk. Customers and dealers without Kiosk access should contact Geiger Customer Care at 800.456.6452 for a test number.

Step 2. Send one memo-sized sample tagged with the test number to:

Geiger North Carolina
218 Cline Park Drive
Hildebran, NC 28637
Attn: COM

Step 3. Within four business days of receipt of the samples you will be contacted by Geiger Customer Care or the Herman Miller COM Department with testing results. If approved, you will be given a four-digit COM number for the fabric, and yardage requirements will be confirmed.

The COM number is specific to each fabric and indicates the supplier name, fabric style name, color and applied direction of the fabric. It must be shown on the purchase order and on the COM and COL tagging when shipped to Geiger.

Tagging and Shipment

If an order is to include materials supplied by the Customer, Customer must ship materials to Geiger at Customer's own expense. In order to match the appropriate material with the Customer's order, all COM and COL must be tagged as follows:

COM/COL No. _____
Dealer Name _____
Customer Name _____
Dealer P.O. No. _____
Geiger Order No. _____
Product Item No. _____

For all seating:

Geiger North Carolina
218 Cline Park Drive
Hildebran, NC 28637
Attn: COM

Geiger is not responsible for delays caused by fabric not correctly marked or shipped to the wrong location. Freight charges to ship COM from an incorrect location to Geiger may be charged to the Customer.

COM/COL Requirements

Yardages listed for COM are based on 54" wide fabric, with no repeat. Fabrics which have a repeat that must be matched, or are less than 54" wide, require more yardage and the following chart should be used for determining COM yardage requirements. For fabric with both horizontal and vertical repeats, add the horizontal and vertical repeat inches together. Use the total number of repeat inches to determine the additional fabric needed.

Fabric Width	Plain Fabric	2"-10" Repeat	11"-20" Repeat	21"-25" Repeat	26"-30" Repeat
54"	0%	10%	15%	20%	25%
51" - 53"	15%	20%	25%	30%	35%
48" - 50"	30%	35%	40%	45%	50%
45" - 47"	45%	50%	55%	60%	65%
36" - 44"	60%	65%	70%	75%	80%

COL requirements are shown in square feet and figured on hides that are 55 square feet or larger. On smaller hides, add 15% to the COL requirements. Hides other than cowhide leather cannot be accepted.

Notes

Wood chair frames are constructed of solid wood, except as noted. All chairs in Geiger's pricebook are identified as to the hardwood species used in their production. Finishes are available only on the solid woods indicated.

When a stained wood finish is specified, the solid wood is stained to match the color of the selected finish.

Appropriate hardwoods are selected to provide a product that will stand up to normal office use and perform under Geiger's 12-year warranty. In certain situations other hardwoods may be appropriate and Geiger will evaluate their use for orders over 100 units.

Special finishes can be developed for seating on a minimum order of 100 chairs at no additional charge. For seating orders under 100 chairs, special finishes may be developed for a one-time set-up fee of \$250 per finish.

For additional information and procedures for special hardwoods or finishes, contact your Geiger sales representative or Geiger Customer Care at 800.456.6452.

Foray Features

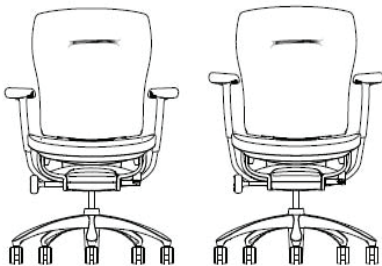

Seat Height

Arm Height

Foray seat height adjusts 4 1/2". The chair is available with a choice of pneumatic cylinders to accommodate specific users.

Foray T arms adjust 4" vertically. Loop arms are fixed in height.

Seat Tilt

Arm Width

The recline range of the Foray chair is set by the user in one of three positions. The balance of the tilt may be easily set for each user. In addition, the seat of the Foray chair may be released to a forward pitch of 5.6 degrees.

Foray is also available with a limited function tilt. This tilt eliminates the 5° forward seat tilt capability. This special tilt may be preferred with conference use when a more uniform sitting experience and appearance for the chairs is desired.

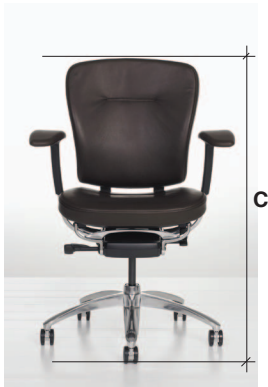

The arm pads on the Foray T-arm chair adjust laterally to increase or decrease the space between the arms by up to two inches.
