

Ellipse Hanging Panel

Ellipse Hanging Panel

The density of 5mm Wool Design Felt allows for a modern screening system created simply by cutting away material. A fun and irreverent take on circles, we've stretched them into ellipses, with sizes varying from 3/4 inch to 3 inches. Structured without regularity, this pattern always reminds us to think outside of the box (or circle!). Available in three standard sizes and 43 colors of 5mm Wool Design Felt.
