# Meet Feek.

Feek Fundamentals bring fun and personality to space through coated foam. Founded in 2003 in the Netherlands by Eltjo Klomp and Frederik van Heereveld, a globally recognized designer and product developer, Feek products have been specified by architectural and design firms across Europe. From universities to hotels, museums to corporate offices, Feek Fundamentals can be used in many different environments.

With a broad range of colors and over 40 standard sizes and shapes, you'll love how Feek appeals to users while bringing incredible function and flexibility to space.

Popular and proven in Europe, we're pleased to introduce Feek — now with an exclusive water-based top coat — to the North American marketplace.

# Feek Fits.

Create a place people will love — and remember! Feek brings every kind of space to life with color, fun and comfort. It's also light and easy to re-arrange to suit the moment. Make people smile ... it's almost irresistible!

## Public

Choose Feek for public seating areas. It's comfortable, easy to clean and maintain — plus it's highly durable, meeting the industry standard for heavy duty usage.

## Casual

Feek Fundamentals are ideal for collaborative spaces and meeting places. From waiting areas to creative conference environments, to casual social settings, you'll appreciate the comfort and ease Feek delivers.

## Creative

Get inspired. Gather and share ideas... Feek's a natural environment for finding fresh approaches. Definitely not same-old same-old!

## Custom

Feek presents a blank canvas on which designers can create one-of-a-kind statements for every interior. Go Wild!

# Unique. Feek.

See how far creativity can go! Feek custom capabilities give architects, designers — or anyone who wants to make a unique statement — freedom to bring their vision to life.

Envision branded or themed environments with a touch of fun, or integrated elements that enhance a building's architecture while meeting users' needs. Feel free to create furnishings that extend your creative vision to elements visitors will touch, interact with, and remember.

Soft organic forms.

Architecturally integrated.

Branded.

Emboss or deboss Feek elements. It's easy.

# Feek Geek.

What every  
Feek Geek  
needs to know.

**Proven** Used in Europe for a decade, backed by more than 45 years of furniture expertise.

**Water-Based Top Coat** The first of its kind in this industry, our new water-based top coat was co-developed just for Feek NA with Sherwin-Williams.

**Seamless, Bonded Surface** The durable, permanently bonded surface leaves no place for germs and soil to hide.

**Moisture Resistant** Food and liquids can't penetrate the coating.

**Hygienic** Cleans easily with general purpose cleaners, hospital disinfectants or a 1:10 bleach solution.

**Supportive** Stable, secure seating for comfortable support without a sinking feeling.

**Fire Tested** Passes California Technical Bulletin 117 Fire Testing (CAL 117).

**Durable** Meets the same abrasion test rating as heavy-duty seating textiles.

**Certified Foam** Only CertiPUR-US certified foam is purchased to create Feek NA products.

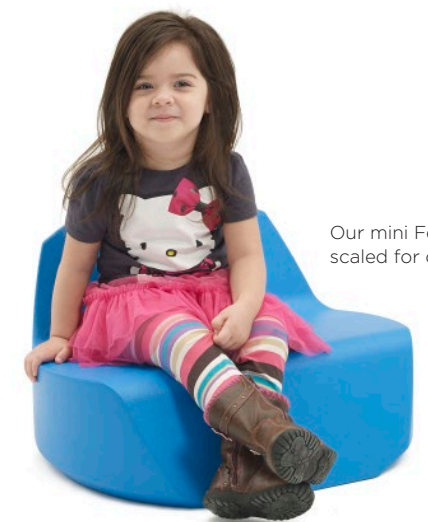

**Simple** No interior metal or wood framing. Flexible polyurethane foam is computer-cut and sprayed with a strong, resilient 3-layer structural coating.

**Prevents Injury** No hard or sharp edges, no rigid framework to fall against.

**Feet for Breathable Action** Foam can compress and re-expand for resilient and fully supportive seating.

**American Made** All products are made in a state-of-the-art facility in Trendway's Zero Waste to Landfill factory in Holland, Michigan.

**Fast Lead Time** Standard four-week lead time for Feek Fundamentals.

Our mini Feek is perfectly scaled for children.
