TrendWall®

Sustainable Space Division Simplified.

TrendWall

- A proven, practical approach to space division
- Expanded capacity for utility and technical infrastructure
- Integrates with both existing building infrastructure and systems furniture
- Practically eliminates construction waste and mess
- Can be rapidly reconfigured without demolition
- Simple and fast installation

TrendWall® Clear

A sleek, floor-to-ceiling storefront solution – combining high end aesthetics with high functionality.

TrendWall Clear

- High-end aesthetic
- Supports modular power and data, or can be hard-wired in the field
- Exceptionally easy to install
- Aluminum framing elements
- Architectural inspired doors
- 1/2" Tempered glazing

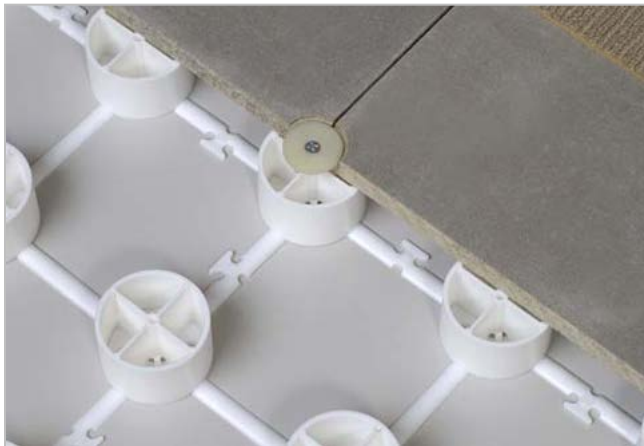

TrendWall® Flooring Solution

A high capacity, highly flexible access flooring solution.

TrendWall Flooring Solution

- Access data and electrical from anywhere in the room
- 2.5" height, perfect for retrofits – or spaces with lower ceilings
- 2' x 2' access panels
- Completely modular for reconfigurations
