Contrada System | The 3/4" Contrada frame and tile system offers many unique features.

Choose from a wide array of tile options, including fabric, veneer, glazed, perforated steel, laminate, marker board, power, data, slatwall and passage. Tiles can extend cleanly to the floor.

Contrada's power and data access options offer unmatched flexibility.

The bullnose edge for Contrada tables and work surfaces creates a unique profile.

Contrada Raw lets your imagination soar outside the everyday work space.

Contrada Panels | Power and Data

Contrada offers easy power and data management, with access possible at 6" vertical increments.

Contrada frames can easily accommodate power and data above and below the work surface.

Power and data tiles provide access where you need it, even inside panel-hung storage for secure charging of personal devices.
