2. 1 Year Limited Warranty. ABET Inc. ("ABET") warrants to the original purchaser of the Product, from the ABET invoice date (or, for Canadian purchases only, from the ABET Corp. invoice date) for a period of one (1) year thereafter, that the Product will be free from defects in manufacture when used for its intended purpose, properly installed, and maintained according to ABET's instructions.

3. Warranty Conditions. In order for this Limited Warranty to be effective, ALL of the following conditions must be satisfied:

A. Upon delivery of the Product, the purchaser must inspect the Product to determine that no patent defects in the product are visible according to NEMA standard LD3-2005 Section 3. This would include any apparent visual defects. Once the Product is installed, it will be conclusively presumed that the Product is free from any and all patent defects.

B. The Product shall only be used as described in the Production Description Section of this Warranty

C. The Product must be stored, machined, assembled, installed and maintained according to instructions specified in the AWI Quality Standards manual and the NEMA LD3-2005 standards that are in effect at the time of the installation. **Failure to do so will VOID this Warranty.**

4. Warranty Claims.

A. WARRANTY CLAIMS PRIOR TO INSTALLATION. In the event of a warranty claim after delivery and prior to the installation of the Product, and during the ONE YEAR warranty period, the original purchaser alleges that the Product is patently defective in one (1) or more areas, the original purchaser shall, (a) within thirty (30) days from the date of invoice or (b) in the event that the defect is not of a type that was discoverable prior to installation, then within thirty (30) days of the date that such defect was subject to discovery, notify ABET in writing of the alleged defect. Photographs must accompany this notice, as well as proof of purchase (i.e., the original invoice) indicating the purchase date. Upon ABET's receipt of the written notification, ABET will have a reasonable amount of time to inspect the allegedly defective Product. ABET will not pay for and the purchaser shall be solely responsible any and all costs other than the Product itself.

B. WARRANTY CLAIMS AFTER INSTALLATION.

In the event of a warranty claim after installation of the Product and during the ONE YEAR warranty period, the original purchaser shall notify ABET in writing of the nature of the alleged defect or non-conformity. Photographs must accompany this notice, as well as proof of purchase (i.e., the original invoice) indicating the purchase date and the identity of the installer. Upon ABET's receipt of the written notice, ABET will be given a reasonable time to inspect the allegedly defective Product. As part of the inspection, the purchaser will provide all maintenance and care records for the Product from date of purchase. If ABET determines that the Product is defective, ABET shall replace the defective Product at no cost to the purchaser with delivery prepaid. ABET will not pay for and the purchaser shall be solely responsible for the removal of the Product and/or for the fabrication or installation of the replacement Product and any other costs other than the Product itself.

Upon discovery of a possible defect, it is the responsibility of the purchaser to provide protection of all Products until the warranty claim is processed and resolved. ANY REPAIR OF THE PRODUCT UNDERTAKEN WITHOUT PRIOR WRITTEN AUTHORIZATION FROM ABET WILL VOID THIS WARRANTY.
