

WALDEN VENEER

Walden brings old world elegance to the 21st century with a fresh, casual feel. Details are generous yet not overstated. Framed drawers and panels along with shapely crown and base moldings create visual interest as do intricate veneer details and reverse diamond matched veneer panels. Walden features a construction of cherry veneers, hardwood solids and wood product with a handsome Cocoa Cherry finish. Antique brass finished knobs accented with rosette back plates complete the look.

Tops

Tops feature rounded corners and a construction of cherry veneers on wood and wood product accented with walnut veneer inlay. An NC lacquer finish helps protect against marring and scratching.

Construction

Chassis construction consists of cherry veneers on wood and wood product with mortise and tenon, wood cleats, screws, staples and threaded inserts/bolts for strength and durability. An NC lacquer finish helps protect against marring and scratching.

Drawers

Drawers have a 4-sided construction with black drawer interiors. File drawers are fully extending with a 150lb. load bearing rating. Box drawers are 3/4 extending with a 75lb. load bearing rating.

Locking pedestals are all keyed the same. If you need specific items keyed differently please contact your customer service representatives.

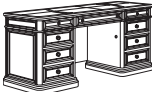

Adjustable Levelers

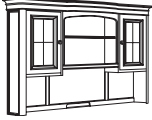

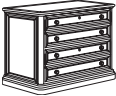

All case goods have adjustable floor levelers.
