

IMPORTANT INSTALLATION INSTRUCTIONS

The mirror TV must be installed by a qualified technician. Read and follow all installation instructions, and keep these instructions for future use. Install mirror TVs in accordance with all of the manufacturer's instructions. Failure to follow these instructions may void the warranty.

All electrical work should be performed by a qualified electrician in accordance with the electrical code within your jurisdiction.

Please note: All electrical installations should be carried out by a fully qualified electrician in accordance with the National Electrical Code and local building codes.

TURN OFF POWER BEFORE WIRING.

Use only the wall mounting brackets provided by the manufacturer.

MIRROR TV INSTALLATION INSTRUCTIONS

1. Mount wall mounted mirror hanger to wall.

Identify the location of the mirror on the wall before mounting the wall hanger. Drill marks should be measured from the edge of the mirror - **NOT FROM THE EDGE OF THE METAL HANGER**. Mounting holes are provided in the metal wall hanger. Screw the metal wall hanger to wall studs or other reinforced areas that will support the weight of the mirror TV. Use at least four 1/4" x 1 1/4" lag screws to mount the fixture to the wall. See the product specification information for mounting hole locations.

2. Install security T-Screws

Temporarily hang the mirror TV on the wall hanger. On the bottom of the backside of the mirror, there are two brackets with a rectangular slot in each one. Mark the location of these slots on the wall. Remove the mirror. Install the security T-Screws into wall in these locations.

3. Test Connections

While holding the mirror close to the wall, plug the TV power cord into the recessed outlet and connect the desired video and audio sources to the TV. To properly connect the speakers, reference the speaker installation instructions. To turn the TV on and test functionality, point the provided remote at the face of the mirror.

4. Mount mirror to wall

Hang the mirror TV onto the wall mounted mirror hanger. Use a metal wrench to turn security T-Screws 1/4 turn to prevent removal from wall.

READ ALL INSTRUCTIONS PRIOR TO INSTALLATION.

WARNING: TO PREVENT INJURY, THE MIRROR MUST BE INSTALLED IN ACCORDANCE WITH THE MANUFACTURERS INSTRUCTIONS. THERE ARE NO USER-SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED PERSONNEL.

DO NOT INSTALL IN A WET LOCATION.
