

SDLI3 - Adjustable Supertop RECESSED DOWNLIGHT

PRODUCT SPECIFICATION

Cat. No.	Finish
SDLI3W	Matte White
SDLI3B	Matte Black
SDLI3C	Polished Chrome
SDLI3G	Polished Brass

GENERAL DESCRIPTION

Lucifer recessed downlight is an adjustable low voltage fixture with **turned up trim plate**. Adjustable die-cast round fitting for use as downlighter or uplighter with round interior fitting adjustable 70° from vertical and rotatable 355°. Round opening. Uses a quartz halogen lamp for superior color rendition and beam control. Clear glass lens is supplied with fixture.

MOUNTING

Use with **DHX-4** housing with integral magnetic or electronic transformer, 120v primary, 12v secondary (75w maximum) or integral magnetic transformer 277v primary, 12v secondary (50w maximum). The DHX-4 is for use with non-insulated, accessible or non-accessible ceilings. Distinguishing characteristics of DHX-4 housing is shallow construction, under 4 inches in depth, which is U.L. Listed for through branch circuit wiring. Hanging bars and brackets are included.

MATERIAL

Trim is constructed of steel. Fixture housings are riveted aluminum.

ACCESSORIES

Trim may be accessorized with Frosted Glass Lens (FGL-1), Linear Spread Lens (LSL-1), MR-11 Lamp Adapter (LA), Honeycomb Louvre (HCL-1), Spread Glass Lens (SGL-1), Ultra Violet Glass Lens (UVL-1), and Black Louvre (LVR).

LABEL

U.L. Listed trim and housing for dry and damp, non-IC locations. File No. EI 15025.

ELECTRICAL

Trim is pre-wired for use in housing assembly.

TRANSFORMER

DHX-4 housing is supplied with an integral 120v or 277v primary, 12v secondary magnetic transformer or 120v primary, 12v secondary electronic transformer. All transformers are fully dimmable.

LAMP

12v MR-16 halogen lamp (order separately). Specify lamp beam spread. See Mounting section for maximum lamp wattage per housing.

ENERGY CONSERVATION

Manufacturer recommends use of Osram Sylvania's energy saving 37w Tru-Aim® IR halogen lamps which convert more energy into light than conventional 50w MR-16 lamps. Tru-Aim® IR halogen lamps can be ordered from Lucifer Lighting for use in fixture. See luciferlighting.com for lamp specification guide.

WARRANTY

Manufacturer's one year warranty of product is conditioned on use of manufacturer supplied transformers.
