

# Arketto / Arketto LED

Words such as elegant, innovative, extremely flexible and a fine source of light characterize the task luminaire Arketto. Available in both Halogen and LED.

TECHNICAL INFORMATION

Design: Yaacov Kaufman

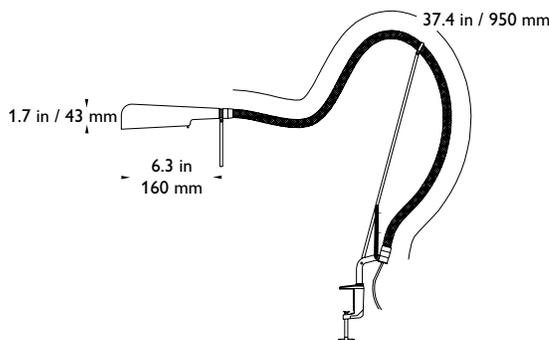

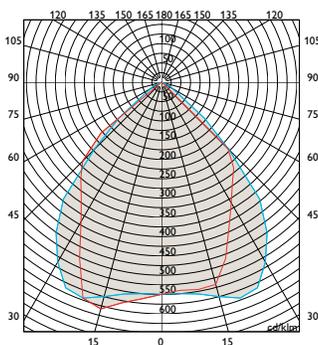

Words such as elegant, innovative, extremely flexible and a fine source of light characterize the task luminaire Arketto. The novel choice of materials – like the textile covered goose neck – combined with extreme versatility – makes Arketto perfect for office as well as domestic use. Now provides asymmetric lighting.

Light source: 40W halogen lamp  
3x3W LED lamp

Arm length: Max. 950 mm (37.4 in.)

Mounting: Table/Desk Base, Floor Stand, Edge Clamp.  
Also available as a wall version.
