

Arca

A versatile indirect/direct luminaire with transparent metallic-colored pod-like heads which softly diffuse light. The pods also have a soft afterglow once lights have been turned off. Arca is versatile and can be mounted via floor, table, partition, wall and even suspension in four configurations, with single, double, triple or quadruple heads.

TECHNICAL INFORMATION

ARCA PARTITION DESK/TABLE/FLOOR: Single or groups of ARCA mounted on workstations, or floor based. Each is supplied with supporting mounting stems along with either a round steel fixing plate (partition) rectangular fixing plate (wall & table) or round steel base (floor). On demand, Arca can be supplied with special connectors for mounting on specific desk partitions. A custom clamp can fit all partition applications.
