Krug offers an extensive range of furnishings for private office and conferencing, and a comprehensive seating collection. A company-wide program is in place to reduce the impact of our products and process on the environment. For a copy of this program, or more information about products, please contact your local Krug representative, or Krug Customer Service.

11-HB

The Sierra Series was designed for comfort. Its artful curvature adds style yet ensures a luxurious and ergonomically correct sitting posture. The subtle contouring of the back cradles the body and supports the lumbar area while the gradual sloping of the seat relieves pressure on the spine. Plushly upholstered leather or fabric enhances comfort further. Expert workmanship is apparent in careful attention to such details as the double-stitched French seams. Available in your choice of Cherry, Maple and Oak accents.

1195-A

Sierra is offered in a variety of guest seating models to complement the Tilter line.
