Krug offers an extensive range of furnishings for private office and conferencing, and a comprehensive seating collection. A company-wide program is in place to reduce the impact of our products and process on the environment. For a copy of this program, or more information about products, please contact your local Krug representative, or Krug Customer Service.

The entire wood frame of the Kent chair – including its interior components – is made from solid hardwood, and each chair has fabric or leather carefully applied by a single skilled upholsterer. Kent is offered as a high-back or mid-back tilter, and as a guest chair. Kent is available in Cherry or Maple hardwood in a variety of a standard finishes or custom stains. The swivel-tilt chairs have a standard gas lift and tilt tension adjustment, and are also available with optional brass casters. The swivel-tilt chairs have a standard gas lift and tilt tension adjustment, and are also available with optional brass casters.
