Krug offers an extensive range of furnishings for private office and conferencing, and a comprehensive seating collection. A company-wide program is in place to reduce the impact of our products and process on the environment. For a copy of this program, or more information about products, please contact your local Krug representative, or Krug Customer Service.

The Tusk Series offers fresh design to conventional seating forms. The graceful contours of the gently sweeping arms combine with the elegantly tapered legs to create a chair of enduring quality. Available in four versions including stacking and your choice of oak, cherry and maple frames. For over one hundred years Krug has produced office seating of superior quality and exceptional value. Tusk continues this tradition of fine wood craftsmanship.
