It flips! It gangs! It rolls!

Share Space Tables come in a variety of finishes, shapes and sizes that enable you to configure your space quickly and easily.

Not just tables & chairs

Share Space includes a variety of complementary pieces that fulfill any conference and meeting room needs, including lecterns, buffet options, serving carts and modular storage.

SHARE SPACE MODULAR STORAGE COMPONENTS INCLUDE BUFFET SURFACES AND TV CABINETS.

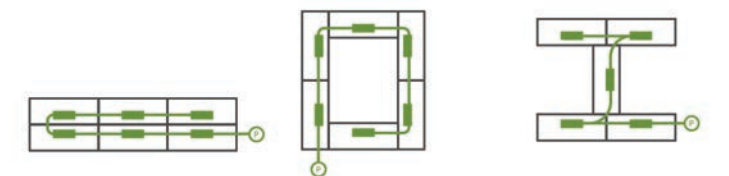

A2084

Technology that's simple to specify & easy to install

Utilizing an intelligent electrical system, Share Space Tables are powered with plug-and-play technology, ensuring your team safely connects the tables without risk of overloading the system.

Connect up to six tables in a variety of configurations. The smart chip in the modular power connectors display a green light when the system is properly connected and safe to use.

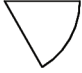

Just the Right Options

We tailored Share Space to offer relevant and frequently requested options in a single platform for training and conferencing. With easy specification, you can configure Share Space for your team’s needs.
