For Cal 133 add 'FC'
to the model #

example: P-1660**FC**

**Cal 133 upcharge on guest
seating is \$75**

SONORA**Product Features**

Select finished grade hardwood frame using double or triple doweled construction and reinforced with corner blocks. All joints are glued, stapled and screwed in place for greater durability.

Seat - 2" high density foam on top of a woven seat suspension for maximum comfort.

Back - Wood back model is constructed of furniture grade hardwoods. Upholstered back models feature 1 1/2" high density foam over a polypropylene webbing suspension.

Upholstered using foam that complies with CAL117.

Catalyzed varnish finish provides enhanced stain and mar resistance.

Nylon glides

Meets or exceeds ANSI/BIFMA standards

Certified by SCS-IAQ-02065.
